GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

7th January 1881, No. 23.

Belts and Badges.

Read the following papers:—

No. 26. From L. McIVER, Esq., Acting Registrar of the High Court of Judicature at Madras, Appellate Side, to the Chief Secretary to Government, dated Madras, 7th December 1880, No. 2502.

I have the honor to submit, for the orders of Government, copy of a letter from the District Judge of South Canara, dated the 30th October 1880, No. 55, requesting to be informed whether expenditure on belts and badges for process-servers as well as other peons may be met from the allotment in the budget grant for this head.

2. The Accountant-General referred me to Government when I asked his opinion.

ENCLOSURE No. 1.

From J. W. BEST, Esq., District Judge of South Canara, to the Acting Registrar of the High Court of Judicature, Appellate Side, Madras, dated Mangalore, 30th October 1880, No. 55.

The belts of the process-serving peons in this and the lower Courts, and also some of the badges, have become old and worn out. Under the old rules of batta establishment, belts and badges were required to be provided by the peons themselves, but this requisition may now, I think, be regarded as cancelled by the supersession of those rules by the present Process Service Rules of 1st August 1873 which contain no such provision, and since the introduction of which the process serving peons have been placed on the same footing in the public service as other peons. There appears no reason why the former should not be provided, as the latter are, with belts and badges at the expense of Government. With this view some allotment was made in the detailed budget grant statement forwarded to the High Court with my predecessor's letter, dated 19th June last, No. 22.

2. Under these circumstances, I have the honor to request to be informed whether there is any objection to the expenditure on belts and badges for process-serving peons, as well as for the ordinary peons, being incurred from the said allotment so far as it will admit of the same, any further expenditure being left to be met from the similar allotment to be made in the next year.

3. I beg to add that if the present proposal is sanctioned, the new belts and badges will be made according to the pattern approved in G.O., 4th January 1875, No. 15, Judicial, and Revenue Board's Proceedings, referred to in Government Proceedings, 19th February 1876, No. 311, Judicial.

No. 2350.

Referred to the Accountant-General for remarks.

No. 27. *From W. DONALD, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 15th December 1880, No. 4721.*

Treasury Account Department.

With reference to your endorsement, No. 2350, dated the 9th of December 1880, referring for my remarks letter, No. 2502, dated the 7th December 1880, from the Acting Registrar of the High Court of Judicature at Madras on the subject of the supply of belts and badges to process-servers, &c., I have the honor to state that as belts and badges have not hitherto been allowed to process-service peons, I suggested a reference to Government in the present case so that the necessary sanction to the charges might be given should Government see fit to supply the peons in question with belts and badges at the expense of Government.

2. As regards the expediency of allowing the charge, I would merely remark that no reason has been given why it should be sanctioned beyond the fact that other Government peons are provided with them.

No. 28. ORDER THEREON, 7th January 1881, No. 23.

Sir,

The belts of the Process serving Peons
in this and the lower Courts, and also some
of the badges, have become old and worn
out. Under the old rules of Batta Estab-
lishment, belts and badges were requir-
ed to be provided by the Peons themselves,
but this requisition may now, I think,
be regarded as cancelled by the superses-
sion of those rules by the present Process
Service rules of 1st August 1873 which
contain no such provision, and since
the introduction of which the Process
serving Peons have been placed on the
same footing in the public service as
other Peons. There appears no reason why
the former should not be provided
as

as the latter are, with belts and badges
at the expense of Government. With
this view some allotment was made
in the Detailed Budget grant statement
forwarded to the High Court with my
predecessor's letter dated 19th June last 1822.

Under these circumstances I have
the honor to request to be informed whether
there is any objection to the expenditure
on belts and badges for process sewing
peons, as well as for the ordinary peons,
being incurred from the said allotment,
so far as it will admit of the same,
any further expenditure being left
to be met from the similar allotment
to be made in the next year.

I beg to add that if the present
proposal is sanctioned, the new belts
