GOVERNMENT OF MADRAS.
JUDICIAL DEPARTMENT.

1st February 1881, No. 241.

Bills—Legislative.

Read the following papers :—

No. 1. *From the Hon. P. O'SULLIVAN, Advocate-General, to the Chief Secretary to Government, dated Madras, 24th January 1881.*

I have the honor to state that the Bill to alter the limits of the jurisdiction of the Coroner of Madras, which was sent to me with the Order of Government, No. 83, dated the 18th January 1881, seems to be required. The proposed alteration in the Madras Police Act (VIII of 1867) is also necessary to correct the error now set right.

No. 2. *From E. NORTON, Esq., Coroner of Madras, to the Chief Secretary to Government, dated Madras, 24th January 1881, No. 4.*

With reference to G.O., dated 18th January 1881, and the papers sent to me in connection therewith, I have the honor to state that I have read the Bill under which the local limits of the Coroner's jurisdiction are to be altered, and that I approve of the relief which such alteration, if judiciously and liberally made, will give to myself and to my successors.

2. By some mischance the papers have only been now (4 p.m., Monday, 24th January 1881) placed in my hands, and as Government desire to receive my answer to-night I lose no time in forwarding my reply.

3. But I should be glad if Government could give me further time within which I might lay before them some suggestions for the amendment and improvement of the Coroner's Act IV of 1871 in particulars which, in my opinion, urgently need improvement and amendment.

4. I have, from personal experience of the working of the Coroner's Act, found it deficient in more than one matter, and an excellent opportunity seems to me to present itself in the now proposed Act for taking into consideration the alterations I should wish to suggest. A week's delay would enable me fully to lay such suggested alterations before the Government.

No. 3. *From L. McIVER, Esq., Acting Registrar of the High Court of Judicature at Madras, Appellate Side, to the Chief Secretary to Government, dated Madras, 28th January 1881, No. 169.*

I am directed to acknowledge the receipt of the Proceedings of Government, dated 18th January 1881, No. 83, forwarding "A Bill to empower the Government of Madras to alter the local limits of the Coroner's jurisdiction and for other purposes," and requesting the High Court to favor Government with their views on the provisions of the Bill.

In reply, I have the honor to forward a transcript of the Minute recorded by Mr. Justice Innes, and to recall to you that Mr. Justice Kindersley has already*
* Vide Minute recorded in G.O., dated 26th May 1880, No. 1264, Judicial Department. expressed his regret that it should be proposed to deprive any of the inhabitants of Madras of a privilege which they have enjoyed for many years."

ENCLOSURE No. 1.

CORONER'S BILL.

Mr. Justice Innes.—The boundaries of the non-urban districts are much intermingled with those of the City portions of the Presidency Town, and probably not always readily distinguishable; and it might be as well to add a section giving jurisdiction to the Coroner, or if thought preferable to the Police Officer, in a case in which a doubt might arise as to which officer has jurisdiction, either by reason of the boundaries not being well ascertained, or by reason of the body lying upon the boundary.

(True Copy.)

(Signed) L. McIVER,
Acting Registrar, Appellate Side.

No. 4.

ORDER THEREON, 1st February 1881, No. 241.

Resolved that the foregoing papers containing opinions on the Bill to empower the Madras Government to alter the local limits of the Coroner's jurisdiction, &c., be forwarded to the Government of India, Legislative Department, with the remark that this Government approve of the Bill.

2. It is observed that the Government anticipate no difficulty of the nature suggested by the Hon'ble Mr. Justice Innes, as an accurate survey exists of the City and the different villages comprised in it. The different Municipal Divisions are also clearly mapped out, so that if certain villages, or Municipal divisions, or well-defined portions of either, are taken out of the Coroner's present jurisdiction, confusion is not likely to arise.

(True Extract.)
