GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

5th February 1881, No. 278.

Lunatic Asylum Report.

Read the following papers :—

No. 17. *From F. C. DAUKES, Esq., Under Secretary to the Government of India, Home, Revenue, and Agricultural Department (Medical), to the Chief Secretary to Government, dated Fort William, 30th December 1880, No. 15—642.*

With regard to the enclosed letter* from the Government of Bengal, proposing

* No. 1220, dated 23rd November 1880, and two revised forms in the place of Forms IX and XI of the standard series for enclosures.

I am directed to inquire whether His Grace the Governor in Council approves of the amended forms.

ENCLOSURE No. 1.

From C. MACAULAY, Esq., Officiating Secretary to the Government of Bengal, to the Secretary to the Government of India, Home, Revenue, and Agricultural Department, dated Calcutta, 23rd November 1880, No. 1220 (Medical).

I am directed to submit, for the approval of the Government of India, two revised forms which it is proposed to substitute for the Returns Nos. IX and XI, now appended to the Annual Report on Insane Asylums, under the orders contained in the Resolution of the Government of India (Medical), dated 31st August 1874.

2. The form of these returns has been revised in communication with the Accountant-General and the Surgeon-General, Bengal, in accordance with the recommendation of the Committee appointed to inquire into Medical Expenditure in Bengal, in their Report on Lunatic Asylums (pages 17 and 18), with the view of rendering it possible to compare the working of different asylums. Copies of two letters,*

* No. T. M.—11, dated 13th April 1880.
 No. T. M.—362, dated 2nd July 1880.
 received from the Accountant-General on the subject, are herewith submitted, and I am to request that His Excellency the Governor-General in Council may be moved to sanction the adoption of the revised returns in future Annual Reports on Insane Asylums in Bengal.

From J. WESTLAND, Esq., Accountant-General, Bengal, to the Secretary to the Government of Bengal, General Department, dated Calcutta, 13th April 1880, No. 11—T.M.

With reference to your letter, No. 259, dated 13th ultimo, requesting me to express an opinion on the two revised forms of Statements Nos. IX and XI, proposed by the Surgeon-General for substitution for those now appended to the Annual Reports on Lunatic Asylums, I have the honor to state that, besides the items of expenditure detailed in Form No. XI, there are other charges which are incurred on account of the asylums, though they are not debited to them, such as rates and taxes on the buildings attached to the institutions, cost of printed forms and stationery supplied to them, cost of English medicine, &c. If it be the intention of Government that all expenditure on account of the asylums should be brought together in the cash account, separate heads may be prescribed for the charges not provided for in the form. The total of the receipts should agree with the total expenditure in the abstract of the cash account, because all moneys coming in again go out; but, as charges on account of works done by Public Works Department are not met out of the money drawn by the Superintendents from the treasuries, there must be difference to the extent of the charges between the two sides of the account, unless the amount is shown as a receipt. I would, therefore, suggest that a separate head be prescribed on the receipt side for showing the amount.

On the other form a separate column may be opened under "Expenditures" for charges for works done by the Public Works Department on manufacturing accounts, the Committee on Medical Expenditure, in Recommendation No. 1, for when reconstructed or repaired, the charges are for the manufactures, and ought to be included in the same column.

iating Accountant-General, Bengal, to the Secretary to the Government of
 , Financial Department, dated Calcutta, 2nd July 1880, No. 362—T.M.
 to my letter, No. 11—T.M., dated 13th April, on the subject of the two revised
 ents Nos. IX and XI, proposed by the Surgeon-General for the Annual Report
 lums, I have now the honor to offer the following suggestions with regard to the
 stail, which might usefully be introduced for the purpose of clearly bringing out
 ults. The forms in question were sent to me for this purpose demi-officially by
 ecretary in April.
 rm No. IX I would remove the line of entry No. 4, "Charges on account of work
 ie Works Department," subordinate to 5, "Contingencies," so as to adopt the
 tirely to the actual direct cash transactions on both the receipts and expenditure
 lumn and the value of supplies from the Manufacture Department. But, in order

CALCUTTA, { DATED THE 23RD NOVEMBER } 1880.
 { ISSUED THE NOVEMBER }

FROM COLMAN MACAULAY, Esq.,
Offg. Secretary to the Government of Bengal,

TO THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME, REVENUE, AND AGRICULTURAL DEPARTMENT.

SIR,

I AM directed to submit for the approval of the Government of India two revised forms which it is proposed to substitute for the returns Nos. IX and XI now appended to the Annual Report on Insane Asylums, under the orders contained in the Resolution of the Government of India (Medical) dated 31st August 1874.

2. The form of these returns has been revised in communication with the Accountant-General and the Surgeon-General, Bengal, in accordance with the recommendation of the Committee appointed to enquire into Medical Expenditure in Bengal, in their Report on Lunatic Asylums (pages 17-18), with the view of rendering it possible to compare the working of different asylums. Copies of two letters,* received from the Accountant-General on the subject, are herewith submitted, and I am to request that His Excellency the Governor-General in Council may be moved to sanction the adoption of the revised returns in future Annual Reports on Insane Asylums in Bengal.

* No. T.M.—11, dated 13th April 1880.
No. T.M.—362, dated 2nd July 1880.

I have the honour to be,

SIR,

Your most obedient servant,

COLMAN MACAULAY,

Offg. Secy. to the Govt. of Bengal.

No. 11TM, dated Calcutta, the 13th April 1880.

From—J. WESTLAND, Esq., Accountant-General, Bengal,
To—The Secretary to the Government of Bengal, General Department.

With reference to your letter No. 259, dated 13th ultimo, requesting me to express an opinion on the two revised forms of statements Nos. 9 and 11, proposed by the Surgeon-General for substitution for those now appended to the annual reports on lunatic asylums, I have the honor to state that, besides the items of expenditure detailed in form No. 9, there are other charges which are incurred on account of the asylums, though they are not debited to them, such as rates and taxes on the buildings attached to the institutions, cost of printed forms and stationery supplied to them, cost of English medicine, &c. If it be the intention of Government that all expenditure on account of the asylums should be brought together in the cash account, separate heads may be prescribed for the charges not provided for in the form. The total of the receipts should agree with the total expenditure in the abstract of the cash account, because all moneys coming in again go out; but as charges on account of works done by Public Works Department are not met out of the money drawn by the Superintendents from the treasuries, there must be difference to the extent of the charges between the two sides of the account, unless the amount is shown as a receipt. I would therefore suggest that a separate head be prescribed on the receipt side for showing the amount.

2. As regards the other form a separate column may be opened under "Debits" for showing the charges for works done by the Public Works Department on manufacturing account, as suggested by the Committee on Medical Expenditure, in recommendation No. V, for when any workshops are constructed or repaired, the charges are for the manufactures, and ought to be debited to them.

3. The enclosures are herewith returned with one or two verbal corrections in red ink.

7 482

No. 362TM, dated Calcutta, the 2nd July 1880.

From—The Officiating Accountant-General, Bengal,
To—The Secretary to the Government of Bengal, Financial Department.

REFERRING to my letter No. 11TM, dated 13th April, on the subject of the two revised forms of statements Nos. 9 and 11, proposed by the Surgeon-General for the annual report on lunatic asylums, I have now the honor to offer the following suggestions with regard to the alterations in detail, which might usefully be introduced for the purpose of clearly bringing out the desired results. The forms in question were sent to me for this purpose demi-officially by the Assistant Secretary in April.

2. In Form No. 9 I would remove the line of entry No. 4, "Charges on account of work done by Public Works Department," subordinate to 5, "Contingencies," so as to adopt the frame-work entirely to the actual direct cash transactions on both the receipts and expenditure side of the asylum and the value of supplies from the Manufacture Department. But in order to complete the view which the account should present of the entire outlay by the State on account of the asylums, it will be proper to exhibit the charges paid by other departments in a clear and convenient form in a separate series of entries quoted on the margin. These entries might well be placed below the body of direct transactions in the way I have marked on the manuscript form.

3. Form No. II apparently does not call at present for any alteration other than that already communicated.
