9. I am not quite sure whether I am called upon to offer my opinion as to whether the amalgamated departments of Salt and Sea Customs should be under the Collector or under the Salt Commissioner. I have not seen Mr. Bliss' remarks on Mr. Logan's last letter of the 15th November 1878, or the Board's final views on the subject. I presume the matter is before Government. I think myself that either one or other officer should have *entire* control over the departments, but, had I been asked, I would have contended, on the ground that salt is entirely included under the head of Customs, for the authority of the Collector in a district like Malabar being left wholly unimpaired. The transfer of the departments to the Salt Commissioner will affect the promotion of the subordinate establishments in Malabar, cause dissatisfaction, and lower the prestige of the Collector.

TRANSFERRED to the Board of Revenue, through whom the Collector was directed to submit this report.

Ootacamund,  
6th August 1879.

(Signed) J. H. GARSTIN,  
Acting Secretary to Government.

ENCLOSURE No. 1.—Petition.

THREE several Collectors have agreed that Ponani should, for special reasons, form a separate division notwithstanding its small area, and the people have offered to tax themselves for the purpose. The Board accept the views of the Collector and support the proposal to reconstitute Ponani a division under a Deputy Collector as previously ordered in paragraph 3 of G.O., 13th November 1875, No. 1,639, Revenue Department. This will necessitate the addition of a Deputy Collector to the establishment as pointed out in separate Proceedings.

2. If the Head Assistant Collector is relieved of the charge of the Ponani Taluk, that portion of the Walluvanad Taluk transferred to the Special Assistant when the limits of the Head Assistant's Division were altered in 1875 should be re-annexed to it.

I think Mr. Logan is  
under a misapprehension.

If Ponani was reconsti-  
tuted a general charge  
it would necessitate the  
addition of a Deputy  
Collector to the Establish-  
ment as pointed out  
by the Board in Progs.

The Budget for 1881-82  
does not as supposed pro-  
vide funds for an addi-  
tional Deputy Collector  
for general duties in  
Malabar (vide G.O., 23<sup>rd</sup>  
December 1880, No. 1455)  
Para 14 of Board's Progs.

that provision is made  
for the men now actually  
employed and no others.

My dear Davidson,

I rec<sup>d</sup>. last Evl  
the G.O. regarding the special  
duty on wh. I am to be en-  
gaged, - and authorising  
me to entertain a small  
additional set<sup>t</sup>. for the purpose.  
In regard to the set<sup>t</sup>. I have  
a proposition to make. -

To this Dist<sup>t</sup> is allotted in  
the regular Budget  
a General Duty D<sup>r</sup> Collect<sup>r</sup>  
& his Estab<sup>t</sup>. —

Pending the final disposal  
of the salt <sup>or a customs</sup> question in this  
Dist<sup>t</sup> it has not been neces-  
sary to employ this Genl  
Duty D<sup>r</sup> Coll<sup>r</sup> — although  
the arrangem<sup>t</sup>. of O. Cuman

going back to Genl duty at  
Ponnani has been sanctioned  
for some time past — O. Cuman  
is at present on the salt  
Est<sup>t</sup>. —

My proposal is to appoint  
at once P. Karunagara Menon  
my Shenshtadar (Collector)  
as Genl Duty D<sup>r</sup> Coll<sup>r</sup> & attach him to me for  
the time this special work

will take, - He also (wh. wd. also have to be  
Entertained) wd. be all  
Sett. I sh? require for  
Special work - and the  
arrangmt. has the advan-  
tage of enabling me to get  
the Sett. I require without  
Exceeding the Budget Est.  
sanctioned for the District

FASTWILL  
HARTFORD  
1/12/18  
I shall require one or two  
intelligent hands to do  
the work allotted to me  
& it wd. be a great assis-  
tance if I could have  
P. Karmagora Menon -  
P. K. M. was lately a  
Temporary Sect. District.

Dr. Call<sup>d</sup> him, then being  
no friend of his at  
H.D. 2<sup>nd</sup>. - On Bradie's  
return he accepted of his  
Shushitadarship. -

Mr. Watters does not  
object to my proposal. -  
I have discussed it with

him. She is going to wait  
the result of this proposal  
of mine before making  
arrangements for filling  
the Shushitadar's post. -

If you could send me a  
message by wire I should  
be much obliged. -

Yours sincerely  
W. Watters

PROCEEDINGS of the MADRAS GOVERNMENT.

Order of 14<sup>th</sup> Feby. 1881 no 345

M. Logan is informed  
that the Budget for  
1881-82, does not, as  
<sup>(by him)</sup> supposed, provide funds  
for an additional De.  
puty Collector for general  
duties in Malabar. He  
can, however, have the  
services of P. Karuna-  
gara Menon, the  
Collector's Sarishtadar,  
who can  
be invested with  
such

such magisterial powers  
as may be considered  
necessary.

2. The entertainment  
by W. Logan of the subv.  
Private establishment  
marginally noted, for  
the time during which  
he may be engaged as  
Special Commissioner,  
is sanctioned.
