I have the honor to forward a
Copy of Mr. Francis report of the death of
Laggi Veeraya Dora and a translation
of the finding of a ~~murder~~ held upon
his body. Veeraya's head has been sent
in, and has been identified at Vairapattam
by his brother Chinn Veerayam, his son
Kinganna, the Tahildar of Golyonda
and other persons who were acquainted
with him. I have sent the head to the
Jail

jail here for further identification
by numerous prisoners who have been
with him in the future.

2. Mr. Francis deserves very great
credit for the way in which he has
struck to the trail ever since Veerayan
was accidentally met near Galikonda
on the 21st. The trace has never been
really lost and the gang has been kept
constantly moving. Above all Mr. Francis
has succeeded in gaining information
from the villagers. He skilfully managed
to gain information of certain misdeeds
of Jaggi Lingama Dora, and other relations
and dependents of Veerayan which he
brought to very good account so as to
impress important people with the idea
that it would not be safe to support
or aid Veerayan in any way and
thus at a time when he was
suffering from a very severe attack

Sir,

I have the honor to report that I have this day forwarded to Mr. Lushington Assistant Superintendent of Police Narasipatnam who will forward on to you the head of Bathavolu Jaggi Virayya Sora No 1 on the list of Proclaimed Offenders. He was shot last night about 6 P. M. near Mandhapalle by Temporary Head Constable O. Appalabunney.

On the 6th instant I sent out this Head Constable and a party of 7 Constables.

Tomars Mandhapalli, which place
they reached about 5 P.M. on the 7th when
they learnt from a woman of Mandhapalli
that Virayya Dora and another man were
in an adjacent Paka. They at once went
to this Paka (which was comparatively in
the open) and on approaching it Virayya
Dora and this other man ran out

making off in opposite directions all
the Constables at once fired on them
but missed, when Head Constable

Appalabowmy followed up Virayya
Dora and Temporary Constable Badi

Balan took after the other man after

Appalabowmy had gone about $\frac{1}{4}$ of
a mile as Virayya Dora would not
surrender when told to do so. Appala-

bowmy who had reloaded fired at
about 20 paces and shot Virayya Dora

in the loin, on which Virayya Dora at
once fell and shortly expired.

4/6 1887
In the meantime O. Baladu had over-
taken his man and knocked him down
with the club end of his musket and
captured him. This second man is
Battigandi Rossi No 21 on the list.

Virayya dora has 3 shot wounds in his
breast which he received on the night
of the 4th instant when surprised by
Inspector Berayya Kaidu one of whose
Constables No 238 has his musket loaded
with slugs. These shot wounds had according
to C. Rossi caused Virayya dora much
trouble and thus prevented him from getting
well away. Archa Pessa Baladu
died while being taken into his Hospital
yesterday. I enclose the Panchayathnama
as to Virayya dora's death and identity.

I am working hard after the
remaining fituridars and hope soon to
be able to report the capture of others.

In Conclusion I would beg to bring

to your notice that it was only on the
21st ultimo I got Kabbar that the
Lituridans were up this line and I
have already accounted for 3 of them
amongst them Virayya Dora

The working of the Temporary Head
Constable Appalaboinni and Rama
Swami and Inspector Peraya
Maidu I have brought to the notice
of Major Harris Superintendent of
Police in my report today.

I have &c
