Telegram from Genl. M. J. O.
Agent, Nizagaputani.

Dated 10th Jan 1881
D.O. from Col. Mearns,
Dated 11th

The origin of this disturbance
is not a repetition of the
circumstances which have
hitherto been all previous
disturbances, in the hills
traces - In proper proportion,
when the m. g. cause left
to the people is to rise
against the present time
to neglect their well-being.

I am in favour of the
system of education which

may come to trade me a difficulty,
or then allow matters to revert to
what to their old course.

Further British interference should
cease in the hill tracts & the
people be allowed to live under
their own customs - the administration

should be something more than
collecting the revenue. The first

course is simply out of the question,

and therefore for the contentment &

happiness of the people & the

good name & reputation of the

Govt, I trust most earnestly

that the present occasion may be

turned to account to finally

face the whole question, & so

as to the Govt of India with a scheme

of future administration ^{which} shall

make future trouble in the hill

tracts almost an impossibility.

The people are not hostile to
the Government. All they desire

is a decent administration; it is
an Englishman's asset. that they
have a right to expect it.

The Hall men are as good
as half of fellows as even
level -

all they ask is what we
ask promptly have a prompt
redress -

When they can't get this,
they maintain connection
apart to itself; they take
the same into their own
hands. Exports are not

I don't think our
system of administering
the Hill tract is fairly
put to condensation
because of an occasional
manifestation of
this kind. The very
fact of these men
disposing of property
this Governor. The
local officers for
enquiry indicate
some reliance on
facilities for the
address. No doubt
there is something
calling for address
of the control of the
