GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

13th January 1881, No. 50.

Police—Advances of Pay.

Read the following paper :—

No. 43. From W. DONALD, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 22nd December 1880, No. 4866.

Treasury Account Department.

With reference to paragraph 2 of the Proceedings of Government in the Judicial Department, No. 2865, dated the 11th December 1880, I have the honor to forward herewith copies of the Comptroller-General's reply, No. 1799, dated 7th December 1880, to my reference regarding the issue of remittance transfer receipts for advances of pay made to Policemen travelling on duty through districts other than their own, and of paragraphs 19 and 20 of Circular G of the Central Provinces referred to in the last paragraph of the Comptroller-General's letter.

2. For the reasons stated in the Comptroller-General's letter I beg respectfully to request that His Excellency the Governor in Council will be so good as to direct the introduction of the system proposed by the Comptroller-General, which does not materially differ from the procedure mentioned in my letter to the Inspector-General referred to in his letter of 26th November 1880.

3. I would further ask that Superintendents of Police be instructed to send to the Inspector-General of Police copies of the bills upon which the advances of pay are drawn.

ENCLOSURE No. 1.

From J. WESTLAND, Esq., Officiating Comptroller-General, to the Accountant-General, Madras, dated Calcutta, 7th December 1880, No. 1799.

I have the honor to acknowledge receipt of your No. 4408, dated 26th November 1880, regarding payments to Police officers.

2. You should prohibit the issue of transfer receipts for such purposes; they are not admissible by rules, and their practical result is that a good deal of work is thrown upon treasuries and upon your office which can very easily be avoided by suitable arrangements which may involve a little work to the Police officers concerned, but certainly far less than the plan of transfer receipts causes to treasuries.

3. Such arrangements you should make in consultation with the Inspector-General of Police. One plan, which worked very well, you will find prescribed in paragraphs 19, 20, and 21 of Circular G of the Central Provinces.

ENCLOSURE No. 2.

CONSOLIDATED CIRCULAR G.

POLICE EXPENDITURE.

Pay drawn in other Districts.

Para. 19. When a Police officer borne on the establishment of District A is despatched on any duty to District B, the District Superintendent of District A may give him a certificate in the following form:—

"The following Police officers, borne on the establishment of District A, are deputed on duty to District B (or on tour with the). Their pay for the month of 187 may be drawn at the rates specified opposite their names:—

Name.	Rank.	Pay.
-------	-------	------

Para. 20. One such certificate should be given for each month for which they are to draw pay during absence, and the District Superintendent of the district where they are should draw and distribute their pay on a regular pay abstract, separate from his own district abstract, with this certificate attached. No recoveries or remittances of any kind are to be made on account of such deputations.

Para. 21. Contingent expenditure in connection with such deputations is to be borne and drawn by the District Superintendent of the district where they are exactly as if it were contingent expenditure of his own District Force, and he is to make no recoveries on account of it.

Similarly all contingent expenditure incurred by any District Superintendent at the instance of another is to be drawn and accounted for as contingent expenditure of the District Superintendent who actually pays the money, and no recoveries are to be made. Of course the responsibility for any excess, or for any refunds or recoveries demanded, will rest fully with the District Superintendent at whose instance the expenditure was incurred.
