GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

18th January 1881, No. 89.

Extradition.

Read the following paper :—

No. 71. From A. C. LYALL, Esq., Secretary to the Government of India, Foreign Department (Judicial), to the Chief Secretary to Government, dated Fort William, 10th January 1881, No. 18—I.J.

I am directed to acknowledge the receipt of your letter, No. 1989, dated the 16th October 1880, to the address of the Secretary to the Government of India in the Home, Revenue, and Agricultural Department, submitting a memorial from the Wynaad Planters' Association.

2. The Association request that the interests of the coffee districts may be carefully considered by the Government of India in the impending changes connected with the rendition of Mysore. They specially desire, first, that the future Government of Mysore may be brought to pledge itself to place no restriction on the Emigration of Mysore labor to the planting districts; and, secondly, that the existing facilities for the execution in Mysore of the processes of British Courts may be preserved.

3. In reply, I am to request that the Secretary to the Wynaad Planters' Association may be informed that the Government of India will give due consideration to the points to which the memorial has invited attention, although, in such a matter as the execution of processes, it may be difficult so to arrange matters that the existing procedure should not be in some degree affected by the termination, in Mysore, of the present system of administration under the Government of India.

No. 72. ORDER THEREON, 18th January 1881, No. 89.

Communicated, with copy of the letter to which it replies, to the Honorary Secretary, Wynaad Planters' Association, in reference to his letter of the 31st July last.
