JUDICIAL DEPARTMENT.

4th January 1881, No. 9.

Jails.

Read the following paper :—

No. 8. *From Lieutenant-Colonel T. E. TENNANT, Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 9th December 1880, No. 383.*

I have the honor to bring to the notice of Government that the District Jail at Guntūr is at present rated as fourth class, but according to the Resolution of the Government of India, dated 29th June 1868, as shown in G.O., dated 11th November 1868, No. 1720, Judicial Department, jails containing 150 prisoners and not more than 299 prisoners are to be considered as third class, and the Medical Officer appointed to the superintendence to receive a monthly allowance of Rs. 75.

2. In G.O., dated 21st August 1879, No. 2123, Government sanctioned this jail being raised from a fourth to a third class, on the understanding that the increased rate of allowance to the Superintendent and Jailer be disallowed on the number of prisoners falling again below 150; this order became void on the number of prisoners decreasing.

3. Since the closing of the District Jail at Masulipatam and the transfer of the prisoners to Guntūr the average daily number of prisoners now exceeds 150, and is not likely to fall below this number. I, therefore, recommend that the Guntūr Jail may be permanently raised to a third-class Jail, and the Medical Officer in charge and the Jailer being allowed the increased rate of Rs. 75 a-month.

No. 9. ORDER THEREON, 4th January 1881, No. 9.
