JUDICIAL DEPARTMENT.

READ—the following paper :—

From R. E. HAMILTON, Esq., Officiating Assistant Secretary to the Government of India, Department of Finance and Commerce, to the Chief Secretary to Government, dated Simla, 19th August 1882, No. 3255.

I am directed to acknowledge receipt of your endorsement, No. 548, Judicial, dated 23rd June 1882, forwarding copy of a resolution, passed by the Government of Madras, sanctioning a scheme submitted by the Inspector-General of Registration for the revision of the salaries of the Special Registrars and Sub-Registrars in the Madras Presidency, and requesting the sanction of the Government of India to the scheme in so far as it provides for the appointment of a Registrar on Rs. 300 with three others on Rs. 250, *plus* commission of Rs. 50 a-month each.

2. In reply, I am desired in the first place to point out that, under Section 14 of the Registration Act (Act III of 1877), the previous sanction of the Governor-General in Council is necessary to any alteration in the remuneration of Registering Officers appointed under the Act, and that that section renders the entire scheme subject to the approval of the Governor-General in Council.

3. With regard to the financial effect of the scheme it is observed that the

* Reduction estimated by the Inspector-General of Registration	RS. 8,585	Government of Madras estimate a <i>possible</i> <i>net</i> saving of Rs. 8,385 * a-month, but seeing that the actual expenditure in the past on account of the remuneration of Registrars has been Rs. 4,881 a-month, while the proposed cost for the future is Rs. 5,450 a-month, the increase under this head may be taken at Rs. 569 a-month; and again, as shown in paragraph 8 of Mr. Hamnett's letter, No. 202, dated 17th January 1882, there will be an increase

Thus the scheme will actually entail an additional expenditure of Rs. 801 a-month, or Rs. 9,612 a year, to which again must be added Rs. 2,207-5-0 on account of the reduction disallowed by the Government of Madras in the case of the Registrar at the Presidency town. The total additional cost will therefore be Rs. 11,812 a-year.

4. As it is represented that the revision of the salaries of the Special Registrars and Sub-Registrars was urgently called for on administrative grounds, the Governor-General in Council is pleased to sanction the proposals made by the Government of Madras.

5. The statements (A and B) forwarded by the Government of Madras are herewith returned.

The Chief Secretary to the
Government of Madras

Simla, the 19th August 1882.

SIR,

I am directed to acknowledge receipt of your endorsement, No. 548, Judicial, dated 23rd June 1882, forwarding Copy of a Resolution passed by the Government of Madras, sanctioning a scheme submitted by the Inspector General of Registration for the revision of the salaries of the special Registrars and Sub-Registrars in the Madras Presidency, and requesting the sanction of the Government of India to the scheme in so far as it provides for the appointment of a Registrar on Rs 200/- with three others on Rs 25/- plus commission of Rs 50 a month each.

In reply, I am desired in the first place to point out that under Section 14 of the Registration Act (Act III of 1877) the previous sanction of the Governor General in Council is necessary to any alteration in the remuneration of

of registering officers appointed under the Act, and that that Section renders the entire scheme subject to the approval of the Governor General in Council.

3. With regard to the financial effect of the scheme it is observed that the Government of Madras estimate a possible net saving of Rs 8585 a month, but seeing that the actual expenditure in the past on account of the remuneration of Registrars has been Rs 14,881 a month, while the proposed cost for the future is Rs 5,450 a month the increase under this head may be taken at Rs 9,431 a month, and again, as shown in paragraph 8 of Mr. Harcourt's letter, No 202, dated 7th January 1882, there will be an increase in expenditure amounting to Rs 232 on account of the salaries of Sub-Registrars. Thus the scheme will actually entail an additional expenditure of Rs 801 a month or Rs 9,612 a year, to which again must be added Rs 2207/5/- on account of the reduction disallowed by the Government of Madras in the case of the Registrar at the Presidency Town. The total additional cost will, therefore, be Rs 11,812 a year.

As it is represented that the revision of the salaries of the Special Registrars and
