G.O.No.2177

Dated 18/11/2018

ORDER:

The Right Honorable the Governor in Council has learned with much regret that, since the 1st July on which date the new Small Cause Court Act, No.XV of 1 came into force in the Presidency Town, there has occurred an enormous falling off in the number of suits filed, as compared with the preceding year. When the Christmas holidays commence, the Judges of the Court will proceed to prepare a report, exhibiting the number of suits filed for each month from July last to the current month of December inclusive — also the average number filed for the corresponding months of the years 1879, 1880 and 1881; stating the causes which appear to them to have led to the present decrease in litigation, and what measures should be taken to remove the same. Their report will be expected to reach Government by the close of the calendar year.
