GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—again the following paper :—

G.O., dated 27th April 1882, Mis. No. 335.

Read—the following despatch from the Government of India, Department of Finance and Commerce, to the Most Honorable the Secretary of State for India, dated Calcutta, 21st March 1882, No. 76 :—

Accounts and Finance—Salaries and Establishments (Police).

In March 1881 the Chief Commissioner of Mysore (now Resident in Mysore), in submitting for sanction certain proposals relative to the establishments to be retained after the restoration of Mysore to Native rule, suggested the grant of an increase of Rs. 100 a-month to the pay of the Superintendent of Police for the Civil and Military Station of Bangalore, thereby raising the pay of that appointment from Rs. 600 to Rs. 700 a-month.

2. The grounds on which the proposed increase was recommended were as follow, viz. :—

- (I) that the jurisdiction and work of the Police of the Assigned Tract would be increased beyond that of the Police of the Bangalore Cantonment by the addition of the Police charge of the Madras Railway Line and Stations ;
- (II) that, although the Superintendent was also head of the Town Police, he was allowed no additional pay for this latter duty ;
- (III) that Mr. Hewetson, the present holder of the appointment, had received no promotion for seven years, and that he was debarred from the expectation of promotion to any other office in Bangalore or elsewhere ; and
- (IV) that it was not likely that, on any future occasion when a change was rendered necessary, an efficient Superintendent of Police could be obtained for less than Rs. 700 a-month.

3. While agreeing with the Resident as to the expediency of raising Mr. Hewetson's pay, we were disposed to think that, having regard to the isolation of the appointment, it would be preferable to fix for future incumbents a pay rising by increments (for instance, from Rs. 500 to Rs. 700 a-month by ten yearly increments), or that the appointment should be graded with the Madras Police Service, which would obviate the necessity for extra expenditure. The Resident in Mysore prefers the latter arrangement, because its adoption will confer upon the holder of the appointment a sufficient standing and position combined with the prospect of benefiting by good service, while it will also have the effect of giving to the Madras Police a most desirable station, and of increasing the complement of officers without adding to the Police expenditure of that Presidency. We concur in these views, and as the Madras Government, whom we have consulted on the subject, are of opinion that the proposed arrangement would be attended with advantage to the public service, we request your Lordship's sanction to the amalgamation of the appointment of District Superintendent of Police at Bangalore with the third grade of District Superintendents of Police on Rs. 700 a-month in the Madras Presidency, an additional appointment of that grade being sanctioned for this purpose.
