Dated 30 October 1884.

No. 10780

READ The following letter from the Collector of Sea Customs Madras to the Secretary Board of Revenue dated 6 October 1884 No. 3940 and reference thereon dated 14 October 1884.

not correct? On receipt of Government Order dated 30 August 1884, No. 2206, Judicial, referred to in Board's Proceedings dated 18 September 1884, No. 8988, I requested the Chemical Examiner to inform me of the amount he would charge for testing the remaining portion of the consignment of Kerosine oil Ex. S.S. "Kaiser-i-Hind", as I agree with Mr. Macartney as to the necessity for testing the whole consignment, for reasons stated in his reference No. 3033 dated 12 August 1884, despatched in Board's Proceedings dated 16 Idem No. 4753, and that officer, in reply, stated that the

The Examination of the remaining 139 drums could be undertaken at half the usual rates, or for a fee of Rupees 600-0-0 for all Messrs Oakes and Co. the consignees, who have been communicated with on the subject state under date the 2^d instant, that they are not prepared to pay such a large amount, without the consent of the shippers and request permission to reship the oil to London.

2. I enclose for the information of Government an extract from a letter addressed to me by Messrs Oakes and Co. from which it will be seen that they ordered oil of Superior quality for supplying it to the Marine Department for Light Houses round the coast and for their General Trade and that oil of low standard was shipped without their knowledge. Under these circumstances I request that the Board will obtain the sanction of Government for granting their request for reshipment.
Early orders are solicited. Read

Read also the following letter from the same officer dated 21st October 1884 no 3301.

In reply to Board's reference on General Register no 7267 of 1884, dated 14th October 1884, I have the honor to state that permission to reship the consignment of Kerosine oil ex S.S. "Kaisar-i-Hind", is solicited as a special case, under the spirit of Rule 11 of the Petroleum act Rules, published in the Port. Saint George Gazette of the 26 February 1884, no doubt Messrs Oakes and Co. have rendered themselves liable to penalty for the infringement of the rules regulating the importation of Petroleum, but under the circumstances stated by them in their letter of the 25 September last, an extract from which has been submitted to the Board with my letter of the 6th instant no 3940/84, the penalty has not been adjudged.

2. Messrs Oakes & Co. state that they will

will probably have an opportunity of reshipping
the oil per one of the Clan line of Steamers
sailing about the 1st Proximo.

3. Early orders are awaited.

Resolution

Submitted for the favorable
