The Registrar brings to notice now that it is
very desirable the peons of the two sub
offices should also be supplied with
warm clothing. There is no provision
in the Budget Estimate for 1884-85, for
this extra clothing, but the Registrar states
that the money provided for clothing
for his office peon may be found sufficient
to provide the clothing for the peon at
Koonoor. Under the circumstances,
I have the honor to request that the
sanction of the Government may be
obtained for supplying the peon at
Koonoor with the clothing specified, and
for provision being made in the ensuing
year's Budget Estimate for clothing for
the three peons at Koonoor, and
and Gudalur.
