GOVERNMENT OF MADRAS.
JUDICIAL DEPARTMENT.

READ—the following paper :—

From G. HAMNETT, Esq., Inspector-General of Registration, Madras, to the Chief Secretary to Government, dated Ootacamund, 17th June 1884, T. No. 2314.

In my letter, T. No. 2602, dated the 9th August 1882, I brought to the notice of the Government the necessity for appointing a special sub-registrar at Ulundurpet in South Arcot, but as there was no public or private building available in the station in which a special sub-registry office could be placed, I recommended that a new office on the standard plan should be built. A plan and estimate, amounting to Rs. 2,175, were accordingly sanctioned in G.C. Public Works department, No. 1295 W., dated 2nd May 1883, and the work is about to be commenced.

2. The registrar of the district is of opinion that, pending the construction of the office, a special sub-registrar should be appointed and his office removed into a private building which can be had now at a monthly rental of 3 rupees. He writes—

“By the appointment of a special sub-registrar Kullakurchi office has to a certain extent improved last year. From what I have heard of the difficulties and inconvenience the parties are put to on account of the office at Ulundurpet being charge of the deputy tahsildar, who has to move about invariably, the appointment of a special sub-registrar will greatly facilitate the development of registration in that sub-district.”

3. In proof of this I may add that while the registration in Kullakurchi has advanced since the appointment of a special officer, the registration at Ulundurpet has declined, as will be seen from the following figures :—

Kullakurchi

4. At present, in consequence of the removal of his establishment, the depute the probationary sub-registrar

of the deputy tahsildar on leave at Kullakurchi, it has been found necessary to place him in charge of the registration work.

5. The Government having on the 17th August 1882, appointed me to the honor to request that you would sanction the appointment of a special sub-registrar from the 1st July 1883.

Order, Judicial, No. 1012, dated the 17th August 1882, appointing me to the office of a special sub-registrar, I have the honor to request that you would sanction to his employment the following charges :—
