GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following papers:—

From Lieutenant-Colonel T. K. GUTHRIE, Acting Inspector-General of Police, to the Chief Secretary to Government, dated Madras, 3rd April 1884, No. 1742.

I have the honor to represent that horse allowance, originally granted to the inspectors noted in the margin, was subsequently withheld, probably, I believe, from a notion that they were not bound to keep a horse or pony, but seeing that due provision for the allowance in question is made and sanctioned every year in the budget, I revived the allowance in consideration of the fact that these inspectors have to provide carriage for their duties, and the reserve inspector must have a pony or horse. The Accountant-General requires the authority of Government for the revival of the allowance under rule 10, chapter 9, of the Civil Account Code, and I beg that His Excellency the Governor in Council may be pleased to sanction it.

From H. F. CLOGSTOUN, Esq., Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 23rd April 1884, No. 1269.

Treasury Account department.

In returning herewith letter from the Inspector-General of Police, No. 1742, dated the 3rd April 1884, referred to me for remarks under Mr. Assistant Secretary Hammick's endorsement, No. 825, of the 17th idem, I have the honor to state that, under rule 10, chapter 9, of the Civil Account Code, the sanction of Government is necessary for the revival of the horse allowance to the several office, &c., inspectors referred to by the Inspector-General, it having been withheld from them from 1863. It rests with Government to decide whether the concession applied for should be granted or not.

From the Acting Inspector-General of Police, dated Madras, 8th May 1884, No. 2428.

No. 1052

OFFICIAL MEMORANDUM.

With reference to his letter of the 3rd April, No. 1742, the Inspector-General of Police is requested to quote the order or orders under which the horse allowances applied for were sanctioned, and to state whether the sanction was not specifically withdrawn in 1863. A statement should be submitted showing the probable monthly cost in each district.

15th May 1884.

(Signed) M. HAMMICK,
Ag. Asst. Secy. to Govt.

To the Inspector-General of Police.

From Lieutenant-Colonel T. K. GUTHRIE, Acting Inspector-General of Police,
to the Chief Secretary to Government, dated Madras, 21st May 1884,
No. 2723.

With reference to official memorandum, No. 1053, dated 15th May 1884, from the Assistant Secretary to Government, I have the honor to state that the horse allowance therein referred to, as well as that for all other inspectors of the Police department, was recommended by Mr. Robinson in his report to Government ("General principles to be observed in the reorganization of the police"), dated 3rd December 1858, paragraphs 52 and 76. It was sanctioned by Government in their Order, No. 9, dated 4th January 1859, Judicial department, paragraphs 7 and 13. I cannot find that it was specially withdrawn by any Government order.

2. It was stopped by departmental orders, as it was then considered that these inspectors not being bound to keep a horse or pony, they should not draw it. The orders are as follows:—

Circular Memorandum, No. 24, dated 21st March 1863.

Office inspectors will cease, from the 1st April next, to draw horse allowance.
When deputed on duty from the head-quarters the allowance may be drawn.

Circular Memorandum, No. 61, dated 21st April 1863.

With reference to circular memorandum, No. 24, dated 21st March 1863, the inspectors employed on any of the following duties come under its operation, unless they are, in addition to those duties, in charge of a division:—

- As head-quarter inspector.
- " Second office inspector.
- " Store Inspector
- " Court "
- " School "

3. The store inspector may be omitted, as that appointment is always held by the reserve inspector, and the two appointments are never likely to be separated. The reserve inspector, as having charge of a division, has always drawn horse allowance.

4. The very fact of the allowance having been budgeted for regularly every year, although it was not drawn under the above departmental order, shows that the prohibition was not intended to have permanent effect. There is no doubt that for the due performance of the duties of these inspectors, they must provide themselves with the means of locomotion.

5. A statement showing the probable monthly cost in each district is enclosed.

ORDER—dated 3rd July 1884, No. 1628, Judicial.

The Government sanction the grant of horse allowance to the marginally-noted police officers, on the understanding that a pony or horse is actually kept by the officer drawing the allowance. There is apparently an inaccuracy in the letter, No. 1742, dated 3rd April 1884, from the

Inspector-General of Police; reserve inspectors seemed to have never ceased to draw the allowance in question.
