GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper:—

From H. R. GRIMES, Esq., Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 16th May 1885, No. 139.

With reference to the order of Government, dated 24th April 1885, No. 1071, directing me to take the necessary steps for the abolition of the jails at Chingleput and Tellicherry, I have the honor to report that these jails will be closed by the 1st proximo, and all convicted prisoners, with sentences of more than one month to complete, will be transferred to Her Majesty's Penitentiary, Madras, and to the district jail at Calicut respectively. Convicted prisoners, who have one month and less to complete, will not be transferred, neither will prisoners under trial, or civil debtors.

2. The late Inspector-General of Jails in his letter to Government, dated 24th April 1884, No. 121, remarked in paragraph 8: "To provide suitable accommodation for under-trial prisoners at Chingleput and Tellicherry it is proposed to retain the present district jails as lock-ups;" if such is to be the case, I have the honor to request that Government will be pleased to declare the places which are henceforth to be considered the jails for the districts of Chingleput and North Malabar. The District Magistrate of Chingleput, in his letter to the late Inspector-General of Jails, dated 1st March 1884, No. 955, suggested Madras (Her Majesty's Penitentiary) be made the jail for the Chingleput district, and the Acting Sessions Judge, North Malabar, considered "it would be a convenience to the police if the central jail (Cannanore) could be converted into a combined central, district and civil jail."

3. As the Cannanore central jail has no accommodation for debtors, or female convicted prisoners, and as it is the jail specially set apart for convicts under sentences of transportation who are unfit to be deported to the Andamans on account of age or some bodily infirmity, it appears to me undesirable to make it a combined jail, but if the Government considers it desirable to make it the jail of the district for North Malabar, it will be necessary to build accommodation for female prisoners and to entertain a matron to have charge of them, as is the case in other central jails.

ORDER—dated 28th May 1885, No. 1404, Judicial.

The proposals made by the Inspector-General for the closing of the district jails at Chingleput and Tellicherry are approved. The jail buildings will be retained as places of custody for under-trial prisoners, as proposed by the late Inspector-General of Jails. Mr. Grimes will report consulting with the District Magistrates of Malabar and Chingleput, upon the incorporating the subsidiary jails at

Tellicherry and Chingleput with the jails for under-trial prisoners now sanctioned, as such an arrangement would result in a saving of expenditure for jail guards.

2. The Government are not prepared to go to the expense of building accommodation for female prisoners at Cannanore. The district jail at Calicut will therefore be declared to be the district jail for the Sessions division of North Malabar, and Her Majesty's Penitentiary at Madras will be the jail for the district of Chingleput. Similarly the civil jails at Calicut and Madras will be the civil jails for the districts of North Malabar and Chingleput respectively.

Chief Secretary to Government,

Ch.

I have referred to the order of
 the Governor dated 24th April 1885
 relating to the taking of the
 necessary steps for the abolition of the
 jails at Singapur and Tellicherry. The
 order has been reported that these
 jails will be closed by the 1st proximo
 and all convicted prisoners with sentences
 of more than one month to complete, &
 will be referred to H. M. Penitentiary
 at Madras. The District Jail at
 Calicut is not yet closed. Convicted prisoners

1. We have one month and have been
able with no loss to have formed under
with prisoners under local or civil
detention.

2. The late Inspector General of
Prisons in his letter to Government
dated 24th April 1895, recommended
in paragraph 8. To provide suitable
accommodation for male prisoners
at Chingleput and to make it as
proposed to detain the female dis-
trict jails as lock-ups. It is
to be the case, therefore, to
request that Government be
pleased to declare that the
and therefore to be combined the
jails for the districts of Chingleput
and North Malabar. The District
Magistrate of Chingleput in his
letter to the late Inspector General of
Prisons dated 1st May 1895
suggested that as the
to make the jail for Chingleput

district and the Acting Sessions Judge
North Malabar considered it would
be convenient to the Police if
the Central Jail (Cannanore) could
be converted into a combined
Central, district and Civil jail.

3. As the Cannanore Central
Jail has no accommodation for
detention, or female convicted prisoners
and as it is the jail specially set
apart for convicts under sentence
of death, it is not fit to
be deported to the Andamans on
account of age or some bodily
infirmity, it appears to me undesirable
to make it a combined jail but
if the Government consider it is
desirable to make it the jail of
the district for North Malabar it
will be necessary to build accommo-
dation for male prisoners and to
entertain women to hand charge.

of them, as is the case in other
cases of jail.
