N^o 858 ^{1st Division} Sinnerelly District ^{to be pleased}
Office 2^d November, General

From J. Lee Warner Esq^r ^{1st of}
District Magistrate ^{of} Sinnerelly there

To The Chief Secretary & Gov^r
Fort Saint George

Sir In his letter No 133 dated 27th
October the Joint Magistrate writes
follows:-

"I have the honor to state that since the
"transfer of the Deputy Sahildar's office
"from Mayatur to Sinnerelly there has been
"an increase not only of the work of the
"Sahildar Magistrate at Chapidaram but
"also of crime in the Mayatur Division.
"The location of a Sub Magistrate's Court
"at Mayatur will have a great effect
"in deterring people from offences and
"will also be a great convenience to
"aggrieved parties and witnesses. They will
"not have to go so far from their houses
"and cases will be more quickly disposed
"of than they can be by a Sahildar."

ed with other work. He has to try all
 uses from Police stations
 is, I am well aware, useless to ask
 new Deputy Sub Registrar. Therefore
 I hope that Government be asked to
 arrange that the Sub Registrar there
 may always be a 2^d class Magistrate.
 The present Sub Registrar Edward Masila-
 nam Pillai has passed Deputy Collector's
 tests and is a man of sufficient age
 and discretion. I recommend that
 Government confer 2^d class powers
 on him after the usual probation for
 six months in the 3^d class powers. His
 jurisdiction ought to extend over all
 the Villages attached to the Mayatar,
 Koppampati, Soladimal and Shavelangal
 Police Stations within the Chappidaram
 Taluk. He will require no additional
 establishments, except an orderly and
 there will be no additional expense
 to Government, except for that orderly.
 The Sub Registrar has three clerks
 and a peon.

2. I have the honor to support the recommenda-
 tion of the Registrar, and I sincerely trust
 the hope that the Government will be pleased
 separately to signify to the Inspector General
 of Registration its general approval of
 the policy of utilising the services of
 those Sub Registrars, who are exceptionally
 well qualified to fill such positions of
 trust, in this manner. Otherwise there
 is nothing to prevent the transfer of
 Mr Edward Masilamam Pillai appearing
 in the Fort Saint George Gazette almost
 simultaneously with the creation of his
 new powers. Rightly or wrongly (I leave
 the question for the decision of the Govern-
 -ment) the Inspector General is credited in
 this district with an intense aversion to
 allowing his Sub Registrars' work as Magis-
 trates and from instances which have been
 brought to my notice he really seems to be
 able to thwart such nominations. I myself
 I am unable to see how the popularity of
 the Sub Registrar, as such, is endangered
 or their attention distracted unduly from
 their regular work by their having cases to
 try. They have much spare time, which
 lays heavy on their hands; and they have
 good establishments, relatively to the work
 which comes to them under existing circumstances.

To, The Hon. W. Wilson
Chief Secretary to the
Government

Dated, Madras, the 4th November 1885.

Sir,

With reference to the con-
cluding clause of G.O. Judicial
dated the 27th October 1885. N^o 2871,
received this day, I have the honor
to state ^{that} if, as Mr. Logan puts it,
"the chief part" of the work of Special
Magistrates should consist "in their
walks abroad", there can be no
objection to the Sub Registrar of

Payengati, or any other Registrar or Sub Registrar, being vested with the powers of a Special Magistrate -

2. A. A. Krishna Aiyar, the Sub Registrar of Payengati, is an under graduate of the Madras University. He was taken in on the recommendation of Mr. Brodie C.S. as an acting Probationer in October 1884. He was confirmed in that appointment on the 1st April 1885, and was appointed Sub Registrar of Payengati on the 1st July 1885. He is a young man about 20 years of age, and has passed no special test save hand-writing. It rests with the Government to determine whether he is qualified to exercise the powers

58
of a Third class Magistrate.

3. Stress has been laid on registration officers devoting¹⁵ their whole time to registration work during office hours, because it is indispensably necessary that parties who come from a distance of 10 or more miles should not be kept waiting, or be subjected to any inconvenience or expense by being obliged to stop at the station by the non-registration of their documents.

4. I may say that I have not anywhere objected to registration officers being employed on other duties beside their own. On the contrary I have advocated employment on such duties which

would preclude them from annoy-
ing, or in any way oppressing the
people in out of the way places.
