REGISTRATION DEPARTMENT.

CIRCULAR.

No. 50, 22*nd* *August* 1881.

The following rules, extracted from the Standing Orders of the Board of Revenue and adapted to suit the Registration Department, are circulated for the information and guidance of all officers in the department.

2. No Registrar, Sub-Registrar, Gumastah, Clerk or Peon will be allowed to hold,—except in cases of ancestral property or of lands previously acquired,—or to acquire by purchase, bargain, mortgage, transfer by any means, directly or indirectly, any landed property within the district or sub-district in which he may be employed.

3. When persons holding land or having any interest in land are appointed Registrars, Sub-Registrars, Gumastahs, Clerks or Peons to any district or sub-district, they will immediately upon such appointment communicate to the Inspector-General, for record in his office, all necessary particulars of such landed interests, with a declaration as to their truthfulness.

4. Candidates for appointments must submit similar declarations of interest in land with their applications on pain of summary rejection.

Dated: Waltair - 14th February 1885.

Sir -

With reference to G. O. Judicial, No. 379 Mis, dated the 9th February 1885, received by me this day, I have the honor to explain that it has been held by the officers who have filled the office of the Inspector General, that the only rules which they are competent to frame are those consistent with Section 69 of the registration Act, and these have been invariably submitted to the Government for their approval and Sanction.

2. Circulars and other orders relating to the internal administration of the department have not been regarded or treated as rules, and have not been submitted to the Government for Sanction.

3 In the case in point, the rules which were published in the Standing orders of the Board of Revenue, having been published with the Sanction of the Government, it did not at all occur to me when adapting them for observance in the registration department in a department circular, that the Sanction of the Government should be obtained for the issue of the Circular.

4. The object with which the circular was issued has been explained in para: 1 of my letter G. No 367-b. dated the 20th January 1885. I have no other explanation to offer.

I have the honour to be

Mr Hannett does not ~~say~~ give the grounds on which he considers the holding of land by Regn Officers to be opposed to the public interests. Orders are requested as to whether the circular is to be cancelled or not.

2. It is submitted that in such important matter as this no rules should have been issued without the sanction of Govt and that the I. G's explanation can hardly be considered satisfactory.

Let tell Mr Hannett that he has exceeded his powers. That the St. orders of the Bd of Revenue do not apply to officers in Registration Dept & that the I. G. Registration ought to have sought & obtained the permission of Govt. before bringing his subordinates within the operation of the rules. The rules may however be allowed to stand I think
