Member of the Government

CHIEF SECRETARY
GOVERNMENT
MADRAS

Most Respected Sir,

With reference to your
honor's endorsement dated 10th December 85
requiring me to pass the middle school
examination first class, I most respectfully
beg to state that I have been exempted
from passing the said examination 1st class
as per G. O. dated 28th August 85 No. 1121,
Judicial Registration.

I. In this connection I most respectfully
-fully beg to bring to your honor's kind
notice that on the endorsement by the
Chief Secretary to the Government directing
the Inspector General dated December 85
to ask the Registrar to report whether I
am qualified for the post of Sub-Registrar,
the Registrar has replied quoting certain
extracts from the office records that I am
not qualified for the place which is
not only quite untrue but also much
against his conscience as will be seen
from my following explanations.

Report & extracts from
the office records enclosed
in the Registrar's reports
dated 27th November 85-

1. Leonard Macdonald in his
inspection reports while he in-
spected the Lombardine Regis-
trars Office in 1874, remarked
that the work turned out by
the 2nd clerk was not satis-
factory -

2. Again Mr. Ramengar
in his inspection report dated
1875 objected to my having
been appointed 2nd clerk as
I have not passed any exami-
nation & tried to meet my
appointment -

Explanation

1. True, I was recently ap-
pointed & quite new to the
work since then I have made
& made considerable improve-
ment in the many techni-
calities of the Office business
& the result of which was
that I was exempted from
passing the Middle School
Examination 1st class in 1882.

2. Mr. Davis came then
the Deputy Registrar &
Registrar was not in atten-
dance with Mr. Ramengar
during the time of inspection
as he had exceptionally on
that day as plenty of business
to do in the Treasury Depart-
ment & consequently he
required his head clerk to
produce the necessary regular
for inspection Mr. Ramengar
being a native officer mes-
saged that he was not
respected by his European
superior. was much annoyed
& entertained hatred & prejudice
& as he could not do
even as slight mistake in
the office business, he thought
at least to take objection in
my appointment as I am
an untried candidate &
on Mr. Davis come having
explained him that it was
his duty to introduce
Mohamedans in the public
service when possible he

3. Mr. Periyasami Mudaliar
the present Registrar
when he took charge of the
Commissioner's Registrar's office
and noted that my services
will be dispensed with owing
to the worse conditions of the
office in which it was left
by Mr. Cole.

he kept quiet
3. Mr. Periyasami Mudaliar
was not in good terms with
the clerk of the Registrar's
office while he was Sub-Reg.
Commissioner in 1876
because they refused to
reveal the many office
secrets affecting his interest
and showed his hatred open
when became Registrar in 1879.
He had nothing to complain
against Registrar's clerk
but the worse condition of the
office in which state it was
handed over to him. He there
fore resolved to take advantage
of that opportunity of removing
the old clerk of the office.
The head clerk escaped in
securing an appointment in
the Collector's office but, as
he found - gradually that
I am useful and efficient
thought himself cruel in-
just & unjust consciously
to ruin a man & as a peni-
-tence for his former action
he reported to Government
when I applied them to
exempt me from passing
the Middle School Exami-
-nation I Class that
"Abdul Kadar Sahib is well
behaved & trust worthy
belongs to a very respectable
family & possesses a fair
knowledge of English" which
are recorded in G. O. D. No.

29th August 1891 No. 1121

Judicial Registration from
this it will be seen that the
Registrar & my immediate
Superior had a very high opinion
of me.

4. When Mr. Lisle was handed
up to Government for keeping
the Registrar's office in the
possible condition, his
planation said "the
Registrar considered that
his 2nd clerk is very inefficient
and in this I agree with him."

4. In order to escape from
the crisis he was then in,
I thought it would be con-
venient to throw the blame
upon his clerk for which he
was responsible but heartily
he had cherished very high
opinion of me as well as
seen in the accompanying
extracts of testimonials in
which he was kind enough
to oblige me -

5. Upon the examination result
forwarded by the Registrar
in which before the Inspector
General remarks that Mr. L.
Radarsahib was aware -

5. Some day when I was
in the Registrar's office
sent word that Mr. L.
urgently wanted to see me
I was a little better I know
not for what purpose I
produced myself before
the Registrar. He examined
me. Suddenly ^{in the office} I was asked
as he was directed to do so
by the Inspector
General, I was not prepared
for the examination even then
I obtained very nearly 1/4
of the maximum marks.
Had I been examined in
the routine business of Sub
Registrar I would have
obtained undoubtedly the
full marks, I was not
satisfied. After a month
I was prepared for the ex-
amination (the time which
the Inspector-General
usually

usually allow for the
amount of the uninc.
I asked the Registrar to
examine me again. However
thoroughly I copied with
and I obtained more
than half the maximum
marks, but the results were
not communicated to the
Inspector-general.

This I have to your honor's
kind notice where your honor called
upon the district to report direct
as to my qualifications for the post of
Sub Registrar in February 1885 & he was about
to reply favorably when he paid a visit to
Mr. Hammett. He asked his advice. He desired
the Registrar not to reply your honor
merely and assured him that he would
save the risk, he may undergo by not
replying Mr. Sullivan's letter since then
whereat I paid a visit to Mr. Hammett to
pay my respect & represent my poor
circumstances and the low pay which is quite
inadequate to meet the necessities in sup-
porting my large respectable but now
reduced family. He says contemptuously
"go to Sullivan there you will have
every thing done" at the end of the last
month Mr. Hammett purposely came to
be in the way of forwarding to the Registrar
an endorsement from the Chief Secretary
to Government & personally directed
the Registrar to report unfavorably
to the Registrar did accordingly on the
27th December 1885 and the office copy
was filed only on the 19th December 85, when
I found to my great surprise & regret
that it was a report made to ruin my
prospects in the department, the above
