separate office.

To

The Honorable W. Wilson,
Chief Secretary to the
Government, Fort St. George.

Dated, Madras, 25th February 1886.

Sir,

With reference to Official Memo,
dated the 17th February Instant, No. 314 C,
which reached me this day, I have the
honor to transmit copies of the Correspondence
marginally noted from which it will be seen
that the Senior Assistant Collector, Vizagapa-
tam, objected to the arrangement of adding
a room to the Taluk Lutcherry.

From the Executive
Engineer, Vizagapatam,
No. 230, dt. 12 May 1885.
To the Secy. to Govt.
1032 dt. 21 May 1885.

2. The remedy which he recommended
was "to build 3 more rooms, 2 for the
"Sub. Registrar and one for the Police Inspector."
"The Sub. Registrar wishes that the 2 rooms
"allotted to him should be built in a Sepa-
"rate Compound, and I think this advisable."

3. Under the circumstances I con-
curred with the Executive Engineer in (Con-
sidering)

considering that it was advisable to construct a separate office.

The Specification and report, which accompanied the Estimate, showed the necessity for providing such separate accommodation, and it did not occur to me, when I passed on the Estimate while on tour in the Godavari, to attach copies of the correspondence now sent, inasmuch as the Government had, by their order dated the 21st January 1886, No. 186, this, definitely approved of the arrangement for providing separate accommodation for registration officers.

I have the honor to be,

Sir,
Your most obedient servant,

J. W. Kempster

Reference.

Sir.

Referring to G. O. No. 2524 W dated the 14th October/84, calling for plans and estimate for adding a room to the Taluk Cutcherry at Parvatipore for the Sub Registrar and his clerks, I have the honor to forward herewith an extract from letter No. 196 dated 21st Decem-ber/84 from the Senior Assistant

Collector Vizagapatam and request
you to be so good as to inform me
whether you do not consider it
advisable to construct a regular
office for the Sub Registrar, as per
standard plan, in a separate
compound. If you are in
favor of this proposal, I shall
have the necessary plans and
estimates drawn up.

I have &c

Sir

3. With reference to para 3 of the
Executive Engineer's letter, I have
to remark that the accommodation
is insufficient as pointed out
in this office letter No 116 dated
23 August regarding the Salar
office. The room allotted to the
Sub Registrar is too small for his
purpose. There is no room for
his clerk or records. He has screen-
ed off part of the verandah
for his clerk. The Maranghi Estate
records and clerk, the records,
the clerks and the Police Inspector
have a tight fit. The Police
Inspector holds office in the room
called "Post office" in the plan.

The remedy I recommend is
to build 3 more rooms, 2 for the
Sub Registrar and one for the Police
Inspector. The Sub Registrar wishes

that the 2 rooms allotted to him
should be built in a separate
compound and I think this
advisable.

Under the circumstances
mentioned by Mr. Stokes in

to state that I concur with you
in considering that it is advisable
to construct a separate office for
