READ—the following papers:—

As directed in paragraph 2 of the order of Government marginally quoted,
I have the honor to submit the names of
the persons, whom, in consultation with
No. 1113, dated 25th May 1887.

- (1) The Surgeon-General with the Government.
- (2) The District Judge, Chingleput.
- (3) The Sanitary Commissioner.
- (4) The Commissioner of Police for Madras.
- (5) The Sub-Collector of Chingleput.
- (6) Raja Sir T. Madhava Rao.
- (7) Sir S. Ramaswamy Mudaliyar.
- (8) The Tahsildar of Chingleput.
- (9) Mr. M. Ramnaja Chariar, Pleader, District Court, Chingleput.

2. No mention is made in the Act as to how many of the Committee are to form a quorum, though it cannot be intended that all the members should be present at each monthly inspection; and the Collector of Chingleput considers that probably three members would be accepted as the proper number for the quorum. This however could be fixed by rule under Section 21 of the Act; at the same time, the Collector of Chingleput thinks it would be well that the Government should rule that three should form a quorum for the transaction of business, and in this I agree with him, and request that Government will rule accordingly.

3. I recently reported to Government that the construction of the cubicals in the old jail buildings at Chingleput was being carried out by a gang of convicts from the Penitentiary; the work, however, will not be completed in all probability much before the end of this month; it stands to reason, therefore, the Reformatory will not be ready for the reception of its inmates yet, and I would suggest that the date of the Act coming into force, of which a notification has already been issued, should be altered from 1st August to 1st September 1887; and I would request that early orders may be passed in regard to paragraph 3 of my letter, dated 8th June 1887, No. 211, as to what members of the staff are to be entertained.

[illegible]

From H. R. GRIMES, Esq., Inspector-General of Jails, to the Chief Secretary to Government, dated Ootacamund, 25th August 1887, No. 315.

In reply to reference on No. 3409 of 1887, dated this day, I have the honor to forward a letter from the Collector of Chingleput, informing me that he had communicated with Raja Sir T. Madhava Rao, K.C.S.I., and with Sir Ramasawmy Mudaliyar, A.L., and that they have both expressed their willingness to serve on the committee of visitors of the Reformatory School.

2. The Collector does not state whether M.R.Ry. M. Ramanuja Chariar has also expressed his willingness to serve on the committee; but I presume by his nominating him, M.R.Ry. Ramanuja Chariar has given his consent.

3. I request the letter of the Collector may be returned.

4. Whilst on this subject, I have the honor to inform you I have this day heard from the Superintendent of Prisons at Madras that 51 cubicals will be completed at Chingleput, together with the necessary repairs to some of the buildings, by the end of the current month; I shall therefore proceed to Chingleput shortly to inspect the work, and give the necessary certificate required under Section 6 of the Act V of 1876.

ENCLOSURE.

From E. C. JOHNSON, Esq., Magistrate of the Chingleput District, to the Inspector-General of Jails, dated Suidapet, 5th August 1887, No. 657.

In continuation of the marginally-noted correspondence, I have the honor to inform you

My letter, No. 538, dated 13th June 1887.
Your letter No. 2636, dated 21st June 1887.

that I have communicated with Raja Sir T. Madhava Rao, K.C.S.I., and with Sir S. Ramasawmy Mudaliyar, A.L., and that they

have both expressed their willingness to serve on the committee of visitors.

2. I have the honor, therefore, finally to suggest the following list, in which I have added two native gentlemen resident at Chingleput to facilitate the formation of a quorum on the spot:—

- (1) The Surgeon-General with Government.
- (2) The District Judge, Chingleput.
- (3) The Sanitary Commissioner.
- (4) The Commissioner of Police for Madras.
- (5) The Sub-Collector, Chingleput.
- (6) Raja Sir T. Madhava Rao.
- (7) Sir S. Ramasawmy Mudaliyar.
- (8) The Tahsildar of Chingleput Taluk.
- (9) Mr. M. Ramanuja Chariar, Pleader, District Court, Chingleput.

3. It would, I think, be well to ask Government to rule that three should form a quorum for the transaction of ordinary business.

ORDER—dated 6th September 1887, No. 2041, Judicial.

In accordance with the provisions of Section 12, Act V of 1876, His Excellency the Governor in Council is pleased to appoint the under-mentioned gentlemen to form a committee of visitors for the Reformatory School shortly to be established at Chingleput, namely:—

- | | |
|--|----------------------|
| (1) The Surgeon-General with Government, | } <i>Ex officio.</i> |
| (2) The Sanitary Commissioner | |
| (3) The District Judge, Chingleput, | |
| (4) The Commissioner of Police, Madras, | |
| (5) The Sub-Collector of Chingleput, | |
| (6) The Tahsildar of Chingleput, | |
| (7) Raja Sir T. Madhava Rao, I.C.S.I. | |
| (8) Sir S. Ramasawmy Mudaliyar, | |
| (9) M.R.Ry. M. Ramanuja Chariar. | |

The Government would like to see the names of one or two more non-official residents at Chingleput added to the committee, and the Inspector-General should ascertain, after communication with the Collector, whether any such person, ready to

take an interest in the school, can be found. Withreference to the second of the foregoing letters, if Mr. M. Ramanuja Chariar's consent to serve on the committee has not been obtained, he should be asked as to his willingness to serve, these Proceedings being communicated to him through the Collector of Chingleput.

2. Pending the preparation of a draft of rule for the committee's guidance, the Government consider that three should constitute a quorum.

3. The Government do not consider it necessary to adopt the Inspector-General's suggestion that the date of the coming into force of the Reformatory Schools Act, 1876, should be altered from the 1st August to 1st September 1887, even were it clear that this course is possible. They are glad to learn that the school premises will shortly be ready for occupation.

4. As regards the question of establishment, in which, as the Inspector-General points out, no orders have yet been passed, it is observed that the Inspector-General has so far failed to give Government any correct idea of the number of juveniles who will be eligible for transfer to the reformatory. It appears, however, from the Inspector-General's letter, No. 227, dated 24th June 1887, recorded in G.O., 6th July 1887, No. 1448, that accommodation is being provided for 50 juveniles. Taking this as the approximate maximum population of the school for the present, the Government sanction the entertainment of the scale of establishment suggested in paragraph 3 of the Inspector-General's letter, No. 211, dated 8th June 1887, recorded in G.O., 28th June 1887, No. 1358, to be entertained from the date on which the school is ready to receive inmates.

C No. 3409

From

J. G. & Dails - N^o 285.

Dated

9th August 1887.FOR ORDERS.

The Committee recommended will do
for the present but I do not expect to
see one or two more non-officials of
Chungking unless if any of the persons
take an interest in the matter.

Approved but pending
the prepⁿ of Rules let three
be considered a quorum.

Until the School can be used
the Act under Sec. 6 is published
that is the only practical point.

1. Submitted that the proposed constitution of the Committee will do, unless the Govt. think the Collector of the District should be added. The School is not, however, a district matter.
2. Three would be the smallest quorum, and could well be fixed, and also probably the largest that could easily be obtained once a month. That number might be later fixed by Govt. in a rule under sec. 21. It seems, at present, however, too soon to make rules for the mode in which the Committee are to conduct their business: it will be best to wait till the School is in existence & the Committee at work, when they can be called on to submit draft Rules.
3. By Notificⁿ ~~1112~~ in G.O. 25th May 1887. N^o 1112, the Reformatory Schools Act was brought into force on the 1st August. The J.G. is, therefore, rather behind hand with his suggestion that its operation should be postponed till the 1st Sept. But, it seems quite unnecessary to consider the question whether a revised Notificⁿ can be issued: for it is surely immaterial that the Act is in force a month before the School is opened.
4. As regards establishment, the J.G. is correct in drawing attention to the fact

1. The Surgeon General with the Government -
2. The District Judge, Chingleput
3. The Military Commissioner
4. The Commissioner of Police for Madras
5. The Sub. Collector of Chingleput
6. Rajah Sir J. Madana Rao
7. Sir S. Ramaswamy Mudaliar.
8. The Tahildar of Chingleput
9. Mr. M. Ramanujam, Charities Reader District Court, Chingleput -

As four of the above Members are resident in Chingleput, there will be no difficulty in obtaining a meeting of the Committee once every month, as required by Section 18 of the Act, and as Chingleput is within such easy reach of Madras, the other Members proposed, could attend ordinarily, or occasionally, only when specially summoned, with

2P 9/20/19

reference to some matter of interest coming on for discussion.

2. No mention is made in the Act, as to how many of the Committee are to form a quorum, though it cannot be intended that all the members should be present at each monthly inspection, and the Collector of Chingleput considers that, probably three members would be accepted as the proper number for the quorum. This however could be fixed by rule under Section 21 of the Act, at the same time the Collector of Chingleput thinks it would be well that the Government should rule that three should form a quorum for the transaction of business,

and

And in this I agree with him, and request that Government will rule accordingly.

3. I recently reported to Government that the construction of the Cubicles in the old jail buildings at Bridgeport was being carried out by a gang of convicts from the Penitentiary, the work however will not be completed in all probability much before the end of this month, it stands to reason therefore the Reformatory will not be ready for the reception of its inmates yet, and I would suggest that the date of the Act coming into force, of which a Notification has already been issued should be altered from 1st August
