FOR ORDERS.

Record this letter &
 take care always to send
 a covering letter in future.
 When the communication is solely
 for the H.C. (e.g. G.O. 25 July 87
 no 1627) it shall be in the form of
 a letter instead of a G.O.

As to waste of paper - we have
 1/4 sheets of foolscap with
 a printed letter. ~~It is~~

 our rules, requiring fly sheets
 like that on which this current is
 docketed, are much more wasteful.

The arrangement regarding correspon-
 dence with the High Court will be found
 in G.O. 26th January 1864. No. 110. What
 that arrangement amounted to is
 not perfectly clear: if the exception
 in para. 4 of the Chief Justice's letter
 of the 15th Jan^y 1864 holds good,
 some of the G.O.s referred to in the
 Current were correctly communi-
 cated by address to the Registrar.
 G.O. 26th July 87 - no. 1637 clearly only
 went for the purpose of affording
 information to the Court. The
 same may probably be of G.O. 27th
 July 87. No. 1646. On the other
 hand - G.O. 25th July 87 no 1627 ought
 certainly to have gone to the C.J. with
 the usual covering letter.

FOR ORDERS.

This paper is submitted for orders with reference to the style of address to be adopted.

Is it intended to be understood from the orders passed in Current 3605, recorded in G. O. 7th Sept 87 - no. 2046 - that every ~~order of the High Court~~ order of Court is to be communicated to the High Court by a covering letter to the Chief Justice? It has been customary to send numbers of routine papers or of papers like the present, by address to the Registrar. The order on Current 3605 seem clear that in future, every G. O. should be addressed to the Honble the Judges, & should have a covering letter, but this case is submitted in order that the orders be not be misunderstood.
