Sir,

* Judicial

With reference to the correspondence ending
with your letter of 14th & dated the 16th Aug. 1888, I am
directed to say that the proposal to abolish the
office of Coroner, Madras, meets with the appro-
val of the Governor General in Council. His Excellency
in Council, however, considers it desirable that, in ad-
dition to the safeguards mentioned in the communica-
tion from the Government of Madras to the Honble
the Chief Justice of the High Court at Madras dated
the 21st June last, a copy of which forms part of
the enclosures of your letter under acknowledgment,
every inquest held by the Police, on the abolition of
the Coroner's Office, ought to be attended by the
Magistrate.

Medical Officer in Madras whom only it is under
present arrangements to attend at such inquiries
when required.

2. I am to add that the necessary legislation
will be undertaken in the Council of the Government
General for making Laws and Regulations with
the object of giving effect to the proposed change.
The Government of Madras will doubtless be
intimated in the concluding portion of para 3
of the letter from that Government marginally
noted, cause notice to be served on the Government
his establishment warning them that their services
will be dispensed with.

referred dated 6th
June 1887.

I have the honor to be,
Sir,

Yours most-obedient servant,

A. P. Macdonald
