11TH DECEMBER 1888, No. 2555, JUDICIAL.

GOVERNMENT OF MADRAS.
JUDICIAL DEPARTMENT.

READ—again G.O., dated 22nd October 1888, No. 2179, Judicial.

READ—also the following paper :—

From W. M. SCHARLIEB, Esq., Acting Chief Judge, Madras Court of Small Causes, to the Chief Secretary to Government, dated Madras, 20th November 1888, No. 954.

I have the honor to acknowledge receipt of G.O., dated 22nd October 1888, No. 2179, Judicial, passing orders on certain proposals submitted by the Chief Judge of this Court for separating the Process from the Regular establishment, and for revising both; and with reference thereto, I beg leave to submit a revised proposition statement according to the scale sanctioned by Government in the case of the Judges' and Registrar's establishment, and with a trifling variation in the matter of the Process establishment, for the following reasons.

2. As directed by Government, the number of attenders proposed for the Process establishment is reduced from three to two; the cost of the nine clerks is reduced from Rs. 217 to Rs. 210; and the head bailiff and sworn broker and appraiser's pay is reduced from Rs. 125 to Rs. 120 per mensem.

3. The alteration we beg to propose is in the case of the native bailiffs. We have now sixteen native bailiffs at a cost of Rs. 240 per mensem on salaries rising from Rs. 10 to Rs. 18 a month. We proposed to increase their strength from 16 to 17 at a cost of Rs. 288, on salaries rising from Rs. 12 to Rs. 25. The Government have sanctioned the entertainment of 17 bailiffs at a cost of Rs. 260, grading them as follows :—

One 1st-grade on Rs. 40	..	..	..	..	..	..	40
Four 2nd-grade on „ 30	..	..	..	..	..	..	120
Four 3rd-grade on „ 9	..	..	..	..	..	..	36
Eight 4th-grade on „ 8	..	..	..	..	..	..	64
Total	..	..	..	..	..	..	260

4. By carrying out this order, eleven of the bailiffs now drawing pay varying from Rs. 10 to Rs. 17½ will have to be put down to salaries of Rs. 8 and Rs. 9 per mensem, which, we humbly beg to submit, will be a great hardship to the men. We would therefore submit for the favorable consideration and approval of Government a revised proposition, which, without increasing the cost sanctioned by Government, nor impairing the efficiency of the scheme, will prevent any hardship whatever. Our present proposal is that the increase of Rs. 20 sanctioned by Government be distributed by raising the pay of the first three native bailiffs from Rs. 18 to Rs. 20, 24 and 20, respectively, and leaving the pay of the remaining 13 bailiffs at their present figures and without any addition to their number; for, as directed by Government, the mofussil processes are now distributed among all the bailiffs for service, so that an additional bailiff for that purpose will not hereafter be needed.

5. The information called for in clause 4, paragraph 2, of the Government order under acknowledgment, as regards the number of processes to be served or executed annually, is herewith submitted for the years 1886 and 1887 and up to 1st November 1888; and care will be taken to carry out the suggestion of Government of dividing the process servers into two classes, according to the nature of the process to be served, and of confining the duty of distraint as much as possible to the more highly-paid bailiffs.

6. Subject to approval of these recommendations, which we believe are strictly within the spirit of the views of Government, a revised proposition statement giving effect to the general scheme sanctioned is herewith submitted, as directed, through the Accountant-General.

Average 1886 per bailiff per month			418
Do. 1887			398
Do. 1888 for 10 months			397

ORDER—dated 11th December 1888, No. 2555, Judicial.

The proposition statement is sanctioned, but the Government consider that, upon vacancies occurring in any of the posts of native bailiff drawing more than Rs. 10 and less than Rs. 20, the next appointments should be made on Rs. 8, any saving thus accruing being utilized in increasing the higher salaries of the establishment, so as to give effect gradually to the principle of grading of native bailiffs approved in clause 4, paragraph 2, of the G.O., dated 22nd October 1888, No. 2179. As, however, the number of warrants is about one-seventh of the whole number of processes, it is unnecessary to provide five out of sixteen bailiffs on the higher scale of pay. Four will be amply sufficient and the grading marginally noted will ultimately obtain.

The Honorable J. F. Price.

Chief Secretary to the

Government of Madras.

Sir,

I have the honor to acknowledge receipt of G. O. 12th October 1888, No 2179, Judicial, passing orders on certain proposals submitted by the Chief Judge of this Court for separating the Process from the Regular Establishment, and for retaining both; and with reference thereto, I beg leave to submit a revised proposition statement according to the scale sanctioned by Government in the case of the Judges' and Registrars' Establishment, and with a trifling variation in the matter of the Process Establishment, for the following

12th Oct 1888

reasons.

2. As directed by Government the number of attenders proposed for the Process Establishment is reduced from three to two; the cost of the civil clerks is reduced from Rupees 217 to Rupees 210; and the Head Bailiff and sworn broker and appraisers pay is reduced from Rupees 125 to Rupees 120 per mensem.

3. The alteration we beg to propose is in the case of the Native Bailiffs. We have now sixteen native bailiffs at a cost of Rupees 240 per mensem or salaries rising from Rupees 9 to Rupees 18 a month. We proposed to increase their strength from 16 to 17 at a cost of Rupees 255, or salaries rising from Rupees 12 to Rupees 25. The Government have sanctioned the establishment of 17 bailiffs at a cost of Rupees 260, grading them as follows:-

First grade on Rs 40	one	Rs 40
Second grade on Rs 30	two	Rs 60
Third grade on Rs 19	four	Rs 76
Fourth grade on Rs 8	eight	Rs 64
		Rs 240

By carrying out this order, eleven of the bailiffs

bailiffs now draw very pay varying from Rupees 17½ will have to be put down to salaries of Rupees 8 and 9 per mensem, which we humbly beg to submit will be a great hardship to the men. We would therefore submit for the favorable consideration and approval of Government a revised proposition, which without increasing the cost ~~of the~~ by Government, nor impairing the efficiency of the scheme, will prevent any hardship whatever. Our present proposal is that the increase of Rupees 20 sanctioned by Government be distributed by raising the pay of the first three native bailiffs from Rupees 18 to Rupees 20, 22 and 20 respectively and leaving the pay of the remaining 13 Bailiffs at their present figures and without any addition to their number; for as directed by Government, the judicial process is now distributed among all the bailiffs for service so that an additional bailiff for that purpose will not hereafter be needed.

5. The information called for in clause 2, para 2, of the G.O. under acknowledgment as regards the number of processes to be served or executed

care will be taken to carry out the suggestion of

Government of dividing the process servers into

two classes; according to the nature of the process

to be served, and of confining the duty of distraint

as much as possible to the more highly paid

6. Subject to approval of these recommendations,

which we believe are strictly within the spirit

of the views of Government, a revised proposition

statement giving effect to the general scheme

The Proposition Statement is sanctioned, but the Govt. considers that upon the vacancy occurring in one of the posts of Native Bailiff, drawing more than Rs. 10 & less than Rs. 20, the next appl^{ts} should be made on Rs. 20 or Rs. 25 or Rs. 30 as available, instead of Rs. 10 & less than Rs. 20.
