The CHIEF SECRETARY TO
GOVERNMENT,

SIR,

Adverting to the provisions of the new Town Nuisances Act 1859 which has been passed and promulgated, I beg to bring to the notice of Government that there are 5 Sub-Registrar Special Magistrates in the marginally noted places in this District exercising jurisdiction over Cases arising under Sec: 48 of the Police Act XXIV of 1859 and to state that I consider that it is necessary to specially notify in the Fort St George Gazette under Sec: 1(2) of the new Act the above places which are outside the Municipalities before or at the time when the provisions of the new Act are brought into force. Otherwise, I think, the said Magistrates will have to cease to exercise jurisdiction over such Cases, since the effect of the 1st Sentence of Sec: 1(2) of the new Act is to repeal Sec: 48 of the

1. M. Murgudi
2. Tridhachalam

the Police Act throughout the Presidency. Sec: 11
of the new Act provides that Sections 3 and 4
hereof shall be read with and form part
of the Police Act and the Second sentence
of Sec: 1 (a) wherein the 'remaining sections'
are referred to renders Sec: 11 inapplicable to
the aforesaid places until the Government
should so extend it by notification.

To,

The Honorable J. Grose
Chief Secretary to Government.
Judicial Department

Sir,

I have the honor to submit the following
recommendations with respect to section 1 clause (2) of the
Towns Nuisance Act (Madras Act III of 1889):-

2. First, I would recommend that the Act in its
entirety be extended to all places in Malabar in which section
48 of Act XXIV of 1859 has been hitherto in force. A list of
these places (excluding ^{the} Municipal Towns) is appended. If
Government approves the suggestion, I will prepare and
submit as soon as possible a description of the boundaries
defining the local area at each place, within which the
Act will be in force. This has not been done with respect
to most of the places (vide G. O. dated 27th February 1875
No. 478 Judicial) and will take some time.

3. Meanwhile, I would strongly recommend that sections 6 and 7 and section 3 clause (10) relating to gambling, and section 3 clause (12) relating to drunkenness and disorderly behaviour, be extended to the whole District of Malabar.

4. To the best of my judgment, it is not at present expedient to extend any other parts of the Act to the whole District; but in places to which the above sections and clauses alone are extended, Police Officers will require the power to arrest without warrant any person committing in their view any offence made punishable under the said sections and clauses. It is not quite clear to me how the provisions of section 8 may be extended so as to embrace some of the offences made punishable by the Act and not others. Perhaps section 8 may be extended to the whole District without creating misconception or difficulty. It can be departmentally explained to the Police that their power of arrest, in places where only parts of the Act are in force, is limited to offences made punishable by such parts. This is, no doubt, what section 8 contemplates.

5. I may mention that gambling in public has been checked to a great extent by an order of mine passed under section 143. L. C. P., regarding the legality of which I now entertain grave doubts. The sort of gambling which the Towns Nuisance Act is designed to suppress widely prevails and is a constant source of crime and
there

there can, I think, be no difference of opinion as to the extreme desirability of putting a stop to it.

I have the honor to be,
Sir,

ENCLOSURES

SIR,

I have the honor to request that Act III of 1889 may be declared to be in force in the towns named in the enclosed list. These are the places in which section 48 of Act XXIV of 1859 has hitherto been in force. But now that section 48 is repealed it appears to me doubtful whether sections 243 of Act III of 1889 are in force any where else than in Municipal Towns. It is true that by section II of the new Act Sections 243 are

Jud. C. No. 591 1890
1

to be as part of Act XXIV of 1859. But this does not put them in force in any particular place. The provision for putting those provisions of the law in force in particular places was contained in Section 48 of Act XXIV of 1859 as amended by section 1 Act 1 of 1872 and this section has now been entirely repealed. It appears to me therefore that though sections 2 & 3 are made part of Act XXIV of 1859 they are not in force in any towns or Municipal Towns until they have been specially declared in force there.

Whether this is so or not the remaining parts of the Act are certainly not in force in these places. All of them are Union eight are Major Unions and all have resident Magistrates except Montimitta which is very close to Buddapali. The suppression of gambling houses in these places is very desirable and the want of legal power for carrying out such sup-

pression has often been regretted.

I have made only one change in the list by substituting Rajampett for Pullampett. The change of Taluk head-quarters from ^{to} Rajampett to ^{from} Pullampett has been sanctioned and a new Taluk-Cutcherry has been erected at Rajampett. I expect the transfer to take place in a few days. There will then be no resident Magistrate at Pullampett while there will be one at Rajampett which is also a larger place and one of much more importance.

I have the honor to be
Sir,
Your most obedient servant
