Grants and other Grants.

The Revised Estimate provides against Allowances exceeding Rs 5000 per annum, for the disbursement during the current year, of the arrears of Malikana amounting to Rs 1750, due to the Senior Rajah of the Padinjaram Kovilagam (Malabar district), the non-payment of which accounts for the smallness of the actuals in 1889-90. The actuals of 1889-90 against Allowances not exceeding Rs 5000, include arrears chiefly in Travancore.

Pensions in lieu of Resumed Lands

Under Pensions exceeding Rs 5000, the actuals of 1889-90 include the pension for 5 months at Rs 14732-8-0 per annum of Sreemant Narasingamma of Bellary who died on the 13th August 1889. The excess in the Revised and the Budget Estimates of that year is explained at foot of page 3. The variations under Pensions not exceeding Rs 5000 are due chiefly to lapses of small pensions.

Compensations.

The reduction in the Revised Estimate is due to the advance payment of Rs 16750 to the French Government in 1888-89 adjudged by a short default of instalment in April last. The payment in means of compensation to the Pudukkottai State for the previous year explains the further excess in the actuals of 1889-90.
