OFFICE OF THE COMMISSIONER
FOR THE U.C.S. EXAMINATIONS,

Madras, 23rd April, 1890.

From

H. B. GRIGG, Esq., M.A., C.S.,

COMMISSIONER FOR THE

To

U.C.S. EXAMINATIONS,

THE HON'BLE THE CHIEF SECRETARY

TO GOVERNMENT,

SIR,

With reference to G.O. No. 2119,
Judicial, dated 12 December 1889,
calling upon me to report whether
the entire book - Mr. Griggle's
work on Medical Jurisprudence
or only particular chapters should
be prescribed for the Criminal
Tests - Higher and Lower grades,
I have the honor to state that
I think that for the Criminal
Higher grade, the whole of the
book should be prescribed. For
the Lower grade, I would fix

The

the following chapters, which
come in all to about 184 pages.

Pages 1-129 { The Introductory Chapter
All the five chapters of
Part I
Chapter I of Part II.

pp. 194-218 { Chapter I, II, III, V
pp. 228-236 { VII, VIII and IX of
pp. 245-255 { Part IV.
pp. 261-273 {

The remaining chapters of
Part II, treating of "Hanging and
Strangulation", "Suffocation"
and "Suffocation from fumes" seem
to me unnecessary. I would omit
the whole of Part II as I deem
it undesirable, ordinarily, that
the officers concerned should take
up cases such as those dealt
with in it. I would also omit
chapters II, III and IV of Part II
as the poisons referred to in them
are not common in Southern India.

I have the honor to be
Sir,

Your most obedient servant

H. B. Figg

Commissioner

 Part I, 16/5.

H.M.
 For orders.
 It is submitted that Ch. 2 of Part 2 should not be omitted as cases of hanging and strangulation are not of infrequent occurrence. This chapter was included in the parts of the book recommended by the I. G. Office in his letter dated 25. June 19.
