GOVERNMENT OF MADRAS.

JUDICIAL DEPARTMENT.

READ—the following paper:—

From M.R.Ry. D. ANANTHAYA Avargal, Chairman, Municipal Council, Mangalore, to the Chief Secretary to Government (through the Collector and District Magistrate of South Canara), dated Mangalore, 10th March 1894, No. 819.

I have the honour to request that you will be pleased to obtain the orders of Government as to which fund—Imperial or Municipal—fines levied on conviction by magistracy in cases instituted by the municipal councils under section 13 of Madras Act II of 1888 (Places of Public Resort) should be credited.

2. In the absence of instructions on the point, the fine recovered in a case—the first one filed in Mangalore under the above Act—lately instituted by this municipality has been credited to Imperial funds—Law and Justice.

3. As in municipal towns the needful to be done under the Act, either in connection with the grant of licenses or institution of prosecutions, is done by municipal councils, I am of opinion that the fines levied in cases instituted by those bodies should be made over to their funds.

FOR ORDERS.

It is nearly twenty years since the G. of I. decided that fines levied under sec. 48 of the Police Act XXIV of 1859 should in Municipalities, be credited to Municipal Funds.
When sec. 48 of that Act was repealed by the Towns Nuisances Act, 1889, it was naturally ordered (Go. of 22 Aug. 1891, No. 1667, Ld. Dept.) that a similar course should be adopted in respect of fines levied under sections of the Act of 1859 which had replaced sec. 48 of the Act.

Government does not [illegible] fines levied under [illegible] of Public [illegible] 1850, but it is [illegible] discretion to [illegible] the credit [illegible] Municipal funds, inasmuch as all receipts under Law & Custom go to Provincial Funds.

Such fines are however [illegible] liable to be remitted if it is represented that it is [illegible] Local Fund [illegible]

ordinary account rule in respect of them.
On the other hand the crediting of fines to municipal funds doubtless stimulates a municipality to do its duty & there is little fear of its leading to harassing prosecutions.

I submit that the fines might be assigned to Local Councils. It will make them take an interest in working the Acts which they will not take if they get no lump contribution
