In reference to your Proceedings I. S. No. 348 dated the 31st ultimo received yesterday, I have the honor to submit that in my humble opinion it is neither a advisable nor safe to permit Mottadani Solilan Dora to reside (for the present) at any place at Parsapattan, bearing in mind the severe lesson which Saatha Bhaathi taught us in 1897.

It will be remembered that Saathu
Bhapatlu had been detained at
Pezhappattam since his birth, &
eventually permitted to leave a

the impression that he, Saathu

Remarks - Inspector General of Police

Sarsapalam is at the foot of the Golconda
Hills, and is, I think, less near and less
accessible to the hill people to make
it a safe residence for Sabil Dora.
It is true, but he is indolent and is
not a man of any character; these
weaknesses will make him an easy
tool in the hands of crafty hill
people who will shelter themselves
behind his name and position.

My dear Sir

I send you herewith copy
of a letter addressed by your
Superint. of Police Vizag. to the
Agent to the Governor in this
District - I do not think that
it is a good plan to send
Mr. Adams about our matters
of Yudeen to Muricipatam
with which the Nule people
are in constant communication
of Vizagapatam owing to it

Proximity to the Sea is con-
sidered an invaluable element
for a health-resort. I would
recommend Strängnäs
as a place of residence for
you.

 of the Agent to decide where

 a copy. The Agent will
 doubtless give due consideration
 to the views of the police
 authorities in determining
 the late muttadar's residence.

Dated 21st April 1894

Agent to the Governor.

Vizagapatnam District.

The Honorable J. J. Price

CHIEF SECRETARY TO GOVERNMENT

MADRAS.

SIR,

I have the honor to reply to G. O.
 No. 726 Judicial dated 21st March last.

1. Para 1. The son of the late muttadar of
 Kottavidhis Gudam is a minor 8 years
 old and the allowance for maintenance
 of the muttadar is to continue only until the
 boy comes of age. Mr. Millard had not
 sufficient data before him when he
 recommended a salary of Rs. 30 per
 annum for the maintenance. I have since
 obtained reliable information from
 the Head Assistant Agent that the
 revenue for the current year is only
 Rs. 562 and there are no accounts showing

is no money. Besides, I consider such
a course very objectionable as he
will be a perfect stranger and will

affairs. The man I have appointed
is one Jayana Ramanna ...

He has also married her daughter.
The family of the late ...

that he should be allowed a

... and write, but

there are one or two malas in Gudum
who can help him in this respect.
They have been in the habit of doing
this before. The two persons I have
appointed on Rs. 2-8-0 each per
month are (1) Pampulathu Kammanna
and (2) Thakk Kessim Sahib who
have been acting as beens before
under the late Muttadar. The Head
Assistant Agent has recommended
their appointments. I request that
my action may be approved. The
Mulla was taken under management
on the 4th March last.

Para 2. As stated above I have
permitted the late Muttadar and
his family to reside at Varsipattam
for the present and directed that
his son and wife should visit the
ancestral house at Gudum once
every three months and spend there
two or three weeks. The Superintendent
of Police Vengapattam has taken

objection to this, but I know Soliman
Sora well and he knows Mrs. Both
Mr. Willock and myself have also
personally warned him and he is
not at all likely to imperil the
interests of his family by being
allowed to live there. There has
however been a difficulty in finding
him a house just now as the whole
village of Varsipattam has been burnt
down. If this cannot be done I propose
to remove him to Anakkapatti. He
is reluctant to live in Vengapattam
and says that the place does not
agree with him.

Para 3. The circumstances under
which Pampulathu Kammanna
Mulla was recruited by Government
are stated in detail in paras 18 to 27
of the Income Report on the raising of
Rs. 100,000 in G.O. No. 2000 of 1906
dated 10th November 1906. They are
briefly as follows:—that in 1906
before the rebels went out to attack

the prison station on the 16th June 1886
the writer of the gang one Rajana
Omantappa (who styled himself Hanumantha)
a dismissed Police Constable sent
a cadjan letter to Balappa Padal
late Muttadar of Lemmasingha.
Patharidhi involving his help in the
name of God Piramula. The Muttadar
replied to this in similar terms on
the 7th Idar, accepting the call but
never reported the matter to the
Talukdar until he was found out
and called upon to produce the letter
on the 18th. If he had had any
sense of loyalty in him and if he
had produced the letter from Rajana
Omantappa as soon as it was received
the attacks on Gudim and Chhotapilla
would have been avoided. Questioned
about his conduct afterwards by
Mr. Turner he admitted the receipt
of the letter addressed to him by
the gang but excused himself by
saying that he had received it on
the evening of the 16th and that he had

waited to have it authenticated before
handing it over to the authorities. His
reply dated 7th June was found in
the possession of Hanumantha (Rajana
Omantappa) who did the writing work
for the gang and was known to be in
Balappa's handwriting though he
did not sign it. Mr. Turner concluded
that he had concealed information
of a vital character which he was
bound to furnish to the authorities
by the terms of his bond and
recommended that he should be
deprived of his mutia. The Government
made an example of him in para 6 of
the G.O. last quoted above.

The orders conveyed in paras
3, 5 and 6 will be carried out and
their result reported in due course.
I may add here for the information
of Government that the Kappan mutia
was duly resumed on the 18th March
last by the Head Assistant Agent
who interviewed the late Muttadar.

widow and communicated to her
personally the decision of Government.
I have appointed a munsiff at Rs. 15
and 2 persons at Rs. 5 each per mensem
for the management of the matter. Its
total demand for the current year
is Rs. 1161. 8. 0. This amount will vary
slightly from year to year owing
to old villages being deserted, new
ones being taken up and no du
cultivation being extended or
diminished. The Tahsildar collected
most of this year's revenue while
the District Assistant stayed was camping
at Kozgur and paid half of it to the
Muntadars. The people of the matter
appear to be pleased with the
change of management as they have
many complaints against the
agents of the last Muntadar.

I have the honor to be

Yours most obedt. Servt

"The Agents' proposal, under para 1" may be approved. Ego D.O. regarding the limited file has not yet issued as it seems unnecessary in view of the Agents' remarks under "para 2". Perhaps it will suffice now to tell the I.G. that the Agent thinks there is no danger in leaving Subilam bara at Narraipetam.
