CHIEF SECRETARY
20 OCT 1894
GOVERNMENT OF MADRAS

Sir

With reference to G.O. dated 21st September 1894
No. 2291, I have the honor to state that the
Trustees of the Victoria Public Hall while not
disputing that the Police employed inside the
Victoria Public Hall are entitled to remuneration
for their services, would respectfully submit
that it is the duty of the Police to keep order
outside on all occasions when the Hall is
resorted to by the Public.

The Trustees do not doubt that the
Police in London if employed inside a Theatre
are paid for their services, but they venture to
think that no duty is, or can be made
for the men on duty whose business
it is to keep order in the streets in the
vicinity of the entrances to the Theatre.
The approaches to the Hall, must, it appears
to the Trustees, be held as streets and as
such

such require to be looked after by the Alms.

This is all the Trustees ask for, and I
would request that the order referred to be
reconsidered in the light of these remarks.

I have the honor to be
Sir

Your most obedt servant
