P.T.O.

Home Dept.

There is no pending file in this section on the subject referred to at 'A' or 'C' on p.1 ante. M.R.O. may be informed accordingly.

The first paper was issued about 23 yrs. ago and the second over 15 yrs. ago. Did M.R.O. send reminders in respect of these papers before? Since there are no pending files on either of the subjects, the chances of Home Department being able to trace the missing G.Os. are remote.

I don't see how the papers can be traced when the Home Department have actually stated that no papers are not traceable.

Copies of the U.O. note may be placed in the bundles and the file given on R.Dis.
