No. 721

Informing that the Govt. of India
are unable to entertain the prayer
of the Madras Landholders' Association
that two seats upon the Local Legislature
Council may be filled upon their
recommendation or upon that of the
landholders in general.

A landholder has very little chance of being elected by a group of Boards or municipalities. Somewhere and to the day of I probably perfectly well aware of this.

Suite, the 16 April 1894.

Sir,

CHIEF SECRETARY
GOVERNMENT OF MADRAS

I am pleased to acknowledge the receipt of your letter of 4th (April) dated the 14th ultimo, forwarding a memorial from the Madras Landholders' Association in which the memorialists pray for two seats upon the Local Legislative Council may be filled from their recommendation or upon that of the Landholders' Gaurab.

2. I am to say that the Regulations under section 1(4) of the Indian Councils Act, 1892, as to the conditions under which nominations of Additional Members Council can be made to the Government of Madras, were only passed last year; and the Govt. or Gaurab in Council is not prepared to consider any alteration in them before a longer experience has been gained of their working. The position and local influence of the landholders will be then a natural advantage in obtaining seats which may be filled on the recommendations of District Boards; and the Govt. Gaurab in Council thinks it probable

that

that through such recommendations, or the nomination under
Rule III of the Regulations in question, they will have fully adequate
representation on the Council. In these circumstances, the Govern-
ment of India are unable to entertain the prayer contained in
the memorial, and I am to request that, with the permission of
His Excellency the Governor in Council, the memorialists may be
informed accordingly.

I have the honor to be,

Sir,

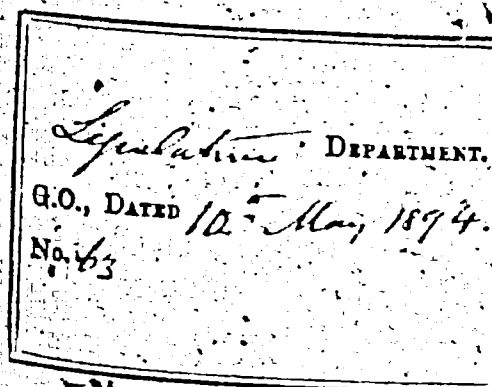

Your most Obedt. Servant,

C. M. M.

Secretary to the Government of India.
