Preparation of Police Statements.

Directing that the annual police statements A-I and II, B-I and II, and C should be com-
piled by the Police Department from monthly returns furnished by the magistracy, and consider-
ing that certain system, which does away with the necessity of maintaining posting registers,
could in future be adopted in preparing the new A-I and II and B-I and II statements.

GOVERNMENT OF MADRAS.
JUDICIAL DEPARTMENT.

READ—again the following paper:—

G.O., No. 1941, Judicial, dated 8th December 1896.

ABSTRACT.—Referring to certain District Magistrates, for opinion, the suggestion of the Inspector-General of Police in regard to the amendment of certain Police statements and the continuance of the existing system of their preparation.

READ—also the following papers:—

From the Acting District Magistrate, Nilgiris, to the Chief Secretary to Government, dated 7th January 1897, No. 22.

In reply to G.O., No. 1941, dated 8th December 1896, I have the honour to report that I have carefully considered the question whether the new forms A (I and II) and B (I and II) should be prepared by the magistrate or by the police.

2. As it has been proposed by Government, in paragraph 4 of its letter, No. 2256, dated 5th November 1895, to the Government of India, and by the Inspector-General of Police, in paragraph 4 of his letter printed in the Government order under reply, that the B form now submitted by the magistrate to the police monthly should be amended so as to show all the information contained in these four forms, the question is merely whether the magistrate should, with much labour, compile and submit this information to the police once a year just before the preparation of the police reports, or should submit in an easy form monthly, so that the police may be put in early possession of it, may have time to check it by enquiry or correspondence, and may thus be in a position to be responsible for its compilation. When the matter is put in this way, it appears to me that the balance of advantage is clearly in favour of the proposal of the local Government.

(Signed) J. H. A. TREMENHEERE,
Ag. District Magistrate.

From the District Magistrate of Coimbatore, to the Chief Secretary to Government, dated 15th January 1897, Dis. No. 32-Magte.

I have the honour to reply to G.O., No. 1941, Judicial, dated 8th December 1896. I understand that the sole question now under discussion is whether it would be more convenient for the new statements A, Parts I and II, and B, Parts I and II, prescribed by the Government of India in Resolution, No. 5-P, dated 25th September 1896, to be prepared by the Police or in the District Magistrate's office.

2. I do not understand the objection to the present arrangement under which police prepare the annual forms. It appears to me that there are far stronger objections to having them prepared in the District Magistrate's office. To say nothing of the additional work thrown upon the latter, which is fully dealt with in paragraph of the Chief Secretary's letter, No. 2256, Judicial, dated 5th November 1895, it will, I think, add considerably to the sum of the compiling work done by the District Magistrate's office and Police office taken together. The latter already has to compile a ledger of all police cases, and unless the half-yearly and quarterly returns now prepared by the police are considerably altered, magistrates will continue to send

B forms, or something of the kind, to the police. These will have to be compiled by the police, and forms similar to A (I and II), and B (I and II), containing much of the same information by the District Magistrates also.

3. Sub-Magistrates will have to send to the District Magistrate's office an additional set of returns quite distinct from those sent to the Police. For the latter, at present, do not include the cases in which the police have put in charge-sheets, which are already on the police books, but the returns sent to the District Magistrate will have to include all the cases which are brought upon the Sub-Magistrates' files. This will give additional work to the Sub-Magistrates' offices.

4. It will thus be seen that both the Police and the District Magistrate will be doing the same work, and a considerable proportion of the ledgering will be done in both offices. Much of this will be duplication of work and waste of time, and it will, as suggested by the Inspector-General of Police, be sure to lead to correspondence about errors. A good deal of extra work will also be thrown on the Sub-Magistrates' offices.

5. Under the circumstances, I do not think anything will be gained, while there will be considerable waste of time and some additional expense, if the preparation of statements A (I and II), B (I and II), is thrown upon District Magistrates' offices.

(Signed) H. BRADLEY,
District Magistrate.

From the Collector and District Magistrate, North Arcot, to the Chief Secretary to Government, dated Chittoor, 27th January 1897, Dis. No. 118-Magl.

In reply to G.O., No. 1941, Judicial, dated 8th December 1896, I have the honour to state that I agree with the Inspector-General in the views expressed by him in paragraph 4 of his letter which are similar to those entertained by the Government of Madras when addressing the Government of India. Revised forms have already been received from him, and I think unless in practice some difficulty is found, the preparation of the annual returns in the head-quarter police office should continue. There is no indication in any of the papers of the reasons why the Government of India considered this practice not free from objection.

(Signed) S. H. WYNNE,
District Magistrate.

From the District Magistrate, Kistna District, to the Chief Secretary to Government, dated Tadepalli, 16th February 1897.

I have the honour to reply to the reference made in G.O., No. 1941, Judicial, dated 8th December 1896.

2. From the nature of the reference made in the first instance to the Inspector-General of Police in G.O., No. 1690, Judicial, dated 27th October 1896, I understand that one of the points on which opinions are now invited is, whether the magistracy should be called on to furnish the Police Statements A-I, A-II, B-I, and B-II once a year in a consolidated form, or whether they should send these returns monthly as is now done in the shape of the present B form.

The Government has already expressed itself strongly in favour of the latter system (*vide* G.O., Nos. 2255, 2256, Judicial, dated 5th November 1895), and I am at one with Mr. Hammick in advocating the continuance of the system under which the magistracy send the returns monthly, leaving the Police department to consolidate the annual statements for incorporation in its administration report.

3. The next question for consideration is the suggestion of the Inspector-General to amend the B forms so as to make them convey all the information now required for Statements A-I, A-II, B-I, and B-II. I am of opinion that there is no necessity to retain the nomenclature of the present B form; and the best thing will be to substitute the new police statements in its place.

4. Our present criminal ledgers prescribed by the High Court do not furnish all the information required for the Police Statements A-I, A-II, B-I and B-II, and they have therefore to be recast and enlarged. I append a memorandum showing the alterations and additions to be made therein.

I deprecate the multiplication of ledgers.

(Signed) J. N. ATKINSON,
District Magistrate.

ORDER—No. 554, Judicial, dated 17th April 1897.

The Government resolves to direct that the annual police statements A-I, A-II, B-I and B-II, and C should be compiled by the Police Department, and that for this purpose the magistracy should furnish the police with monthly returns in the forms already prescribed by the Inspector-General of Police.

2. It is understood that in some districts the previously existing monthly B statements were posted direct from the records of each case, and the Government considers that this system, which does away with the necessity of maintaining posting registers, should in future be adopted in all districts in preparing the new A-I and II and B-I and II statements. If this is done no alteration need be made in the criminal registers on the lines of the proposals made by the District Magistrate of Kistna.

Circular Memorandum.

The Government of India having altered the Annual Criminal Statistical returns, the Ledgers have been altered and they should be adopted for the registration of cases with effect from 1st January 1897. The Ledger N^o. II already furnished is for the ledgering of cases taken up by the Police as explained in the Memo of instructions attached to the book. Ledger N^o. I for cases taken up direct by Magistrates and Ledger N^o. III for non-cognizable cases will be forwarded in a day or two. Altered B forms have been sent to District Magistrates for supply to Subordinate Magistrates. Monthly Statements in these altered forms will as heretofore be received by the Police from Magistrates for cases taken up direct by them and non-cognizable cases and from the Statements should be prepared the Ledgers N^o. I and III. These two ledgers need not be divided into separate sections for each Police Division or Magistrate but only for each offence. The Division Letter will be noted in the column then for. Police cases (Ledger N^o. II) will, heretofore be ledgered Divisionwise for each offence. The instructions issued with each ledger book will, it is hoped, indicate sufficiently clearly what is wanted. Any doubtful points should be referred to this office. Necessary alterations in Magistrates' Proceedings form has been made and a copy already furnished to Superintendents.

NOTE FOR THE UNDER SECRETARY.
I have been informed that the D. Magistrates are in favour of the proposal that the magistracy should furnish the Police with monthly B. Statements in Forms A-I, A-II, B-I & B-II. Appended to the Resolution of the Govt of India recorded in G.O. No. 1690 & 27-10-96 & that the Police should compile their Annual Statements therefrom & from the ledgers maintained in the Head Quarter Offices. Mr. Hannum has already approved this proposal, has revised the B. Forms & Police ledgers, has taken the necessary steps for the introduction of the new B. Statements & ledgers from the beginning.

✓
this year. No further action
this direction seems therefor
called for.

2. The suggestions of the D. M. Krishna
in para 4 of his letter do not
call for any consideration. It
is the practice in some districts
to post the B forms from the records
direct & if this practice is con-
tinued & extended to all districts
the registers need not be altered
as proposed by Mr. Atkinson.

3. The following draft is
submitted for approval:—

Order N° 554 of 17-4-97

Read again fo. 1941 of 12-96 (purport)
& Currents (full)

The Govt resolves to direct that
Annual Police Statements A-I,
II, B-I & B-II & C should be
compiled by the Police Department
and that for this purpose the Magis-
tracy should furnish the Police
with monthly returns in the forms pre-
scribed by the Inspector General
Police.

✓
Note. In footnote C in this
statute the Govt of India has ruled that
the portion relating to non-
cognizable crime should be prepared
by the Magistracy & furnished to the Police.
The revised B forms now drawn up by the
Sd. provide for this information being
given to the Police & for reasons stated
in the case of the other statements, the
return also may be ordered to be
compiled by the Police.

2. It is understood that in
Some districts, the ^{magistrates} monthly B state-
ments ^{are} posted ^{from} the records
direct & the Govt. considers that
this system which ^{does away with the}
necessity of maintaining ^{separate} registers,
is ^{advantageous} should in future
be adopted in all districts.
in preparing the ^{new} H-I & D-I-I returns.
If this is done no alteration
need be made in the Criminal
Registers ^{on the basis of the proposals made} as proposed by the District
Magistrate of Krishna.
