31st January 1895.

My dear Mr. Tucker:

In continuation of my letter no 6077, dated 24 November 1894, regarding a piece of land belonging to the vacant site adjoining the Mohammedan Berawan Serai at Begwada, required for the purpose of widening Sivalayam Street, I beg to inform you that enquiries have been made regarding the site in question, and His Highness's Government are of opinion that as the proposal for widening the road will be an improvement to the Serai, there are no objections to the proposed work being carried out and no compensation is required.

2. In conclusion I beg to state that no documents are at present available to show His Highness's title to the Serai in question.

and it would necessitate a lengthy
search being made to find the
documents. It is however, a matter
of common repute in Bezwada,
that the Serai belongs to and is
maintained by His Highness's foot-

Yours Sincerely
