Order 13-7-95 No 1117

The proposals of the municipal
Council

- (1) to raise the pay of three of
the Conservancy peons from Rs 6
to Rs 7 each,
- (2) to entertain four additional
private scavengers on Rs 4 each,
and (3) to reduce the number of
female scavengers from 28 to
24 - not by two only as
stated by the Chairman -

are sanctioned.

Note - x Supra, 6 of the budget letter, it is stated
that five private scavengers are to be entertained in
addition to the 12 already employed; but this latter
figure is a mistake for 13 - vide clause (12) of
the O.M. on the budget. From statement of B for
1894-95 and 1895-96 it will be seen that the
increase in the number of scavengers is only
four. The proposition submitted has been corrected
accordingly.

To the Chairman, M.C. Cuddapah
a Sanitary Commissioner

C. with order

as soon as proper sites are found and funds are
available. The reduction of the ^{four?} two scavengers
was due only to the abolition of two latrines of
which they were in charge. The Council have
no intention to reduce the strength of the staff
generally.

From this Office records statement II therein at-

Council will take into consideration the construction
of latrines in place of the two that were abolished

Enclosure.

SIR,

With reference to the budget estimate of the Cuddapah Municipality for 1895-96, I have the honor to state that, in the absence of statement II which the Chairman has omitted to furnish to me, any remarks based on what can be gleaned from the extracts from the budget letter, must be imperfect. I may, however, state with reference to the Chairman's remark that two latrines in the town were abolished on the recommendation of the Sanitary Commissioner, that it was anticipated by me the Council would erect more suitable structures than those condemned, elsewhere. Provision would certainly be desirable for new latrines, and the Treasury staffs should not be reduced.
