The Chairman
Municipal Council

Sir,

In reply to your letter No. 225
22.6.95

I have the honor to state that there
is a Gymnastic teacher employed
by the Municipality to teach
drill and gymnastics to all
Primary schools in the Municipality.
I have not all the schools
have not got compounds attached
to them. The boys of these schools
are, therefore, taken to the Municipal
school after compound every day.

and are there taught drill etc.
Central places should be selected
for the purpose and a gymnastic
shed should be erected so that
the necessary apparatus such
as wooden dumbbells etc. may
be purchased and safely kept
in it for daily use. Two sets
of parallel bars, a horizontal
bar and a wooden horse will
have to be supplied.

2. If a Government site
is available in the heart of the
town, it may be enclosed with
a wall and a small shed erected
in it at once. If not, a site belong-
ing to private individuals may
be taken for rent and utilized
for the purpose. The provision
of Rs 500 made in the budget

may be utilized in purchasing a site
now and a similar provision may
be made in the next year's budget
for enclosing it and making
the necessary improvements and
purchasing dumbbells etc. If no
Government site is available now,
a compound attached to a dwelling
house may be rented, a shed
be erected on it and the necessary
articles purchased. This is what
was done in the Guntur and
Mavalipatane Municipalities.
