SIR,

5 Enclosures.

With reference to your endorsement
No. 1222 dated 29th August 1895 on Current
No. 2588 M (herewith returned), I have
the honor to state that I do not think
it desirable that payment should be
deferred.

2 Before the decision of the Govern-
ment of India is received, the Puckalies
in question may have left Madras,
and our chance of recovering the demand
would be problematical.

3 I would, therefore, ask for an
early settlement of the claim.

I have the honor to be,

Sir,

With reference to your memorandum of the 9th Instant, no: 644, it appears to me that any decision that may hereafter become to by Government as regards the taxation of Puckalli Bullocks can hardly have such retrospective effect as to affect the existing demands under the law now in force. I therefore beg the favor of their very early adjustment as they have been long outstanding.

Yours etc.
