**His Excellency the Right
Honourable the Governor of
Fort Saint George,
MADRAS.**

*The humble petition of GUNDLAPALLY PEN-
CHELU CHETTIAR, residing in Nellore
Municipality in Nellore District*

MOST RESPECTFULLY SHEWETH,

The petitioner begs to represent the following few lines for His Excellency's benign consideration and orders.

The petitioner purchased portion of a garden in Stone-Housepett of Nellore Municipality situated on the southern side of Nababpett Road. A petition dated 13th January 1892, was presented by him to the Municipal Council requesting permission to build a house in the said land. As the Municipality did not grant any permission within the month under Section 180 of the Act a reminder petition was submitted on the 1st February, to which the petitioner had no reply; but a notice was given to him on 12th July of the year that the land in question was encroached by the petitioner for building a house. The petitioner waiting for a month, completed the execution of the building.

2. The petitioner was prosecuted by the Municipal Council before the Town Sub-Magistrate in 1892, that he built the house beyond the limits of demarcated line. The Sub-Magistrate after having personally inspected the scene of offence and enquired both the parties, dismissed the complaint of the Municipal Council stating that there was no encroachment.

3. After disposal of this Magisterial Complaint, C. Subba Row Garu, the late Chairman of the Municipality brought a Civil Suit against the petitioner regarding the encroachment. The said suit was decided in favour of the Municipality.

The petitioner intending to appeal against the decision, represented the facts to the Chairman, who advised him not to appeal and suggested that the petitioner might have loss to a great extent if the decision even in appellate Court be against him, as the house is worth Rs. 2000 or 3000 and that the petitioner under these circumstances might agree to pay a rent of Rs. 4 a year. The petitioner agreed for this suggestion and presented a petition to the Chairman, who placed the petition in the meeting of the Council. Then orders directing the petitioner to pay Rs. 12, the rental for three years (from 1892—93 to 1894—95) and to execute an agreement were sent to him. Owing to some inconvenience in the petitioner's house, he was not present before the Chairman after the receipt of the first order. Subsequently in 1894, another order was issued. On receipt of this, the petitioner took the money and asked the Chairman to grant a receipt. The Chairman ordered that the Government was moved on this subject and certain other matters and that after receipt of orders from Government, a notice would be sent to petitioner to pay the amount.
