From,

Surgeon Lieut Col. W. G. King M. C. M. D. B. M.
Hq. Sanitary Commissioner for Madras

To,

The Chairman,
Municipal Council, Palghat.

Sir,

With reference to G. O. dated 20th
April 1895, N^o 691 in mis, I have the honor to
remind you that on the 31st ultimo I examined
the proposed sites at Tondikulam village, to
the east of Purani, between Kamalapuram
and Lirgiaputhamudum, and at Kalikan
road. I consider the most suitable that at
Kalikan Road. This is the position chosen by
the District Sanitary Officer. It is within a
mile from the quarter of the town chiefly
inhabited by the Moplahs; it is also close to
Moplah residences. It cannot therefore be
considered inconveniently distant from the
population to be served. I would, however,
suggest that the actual site selected be that
pointed out to you personally by me, and
which

which is about 200 yards from that proposed by the District Sanitary Officer. This has the advantage of not requiring levelling and will probably be cheaper land, as it is not occupied by paddy fields. The character of the soil is suitable, and a good slope for surface drainage is obtainable. It would however be requisite that the Anikolam (which I understand, in any case, is not now used) be either filled in, or such arrangements be made as shall effectually prevent it in future being employed for any domestic purpose. The huts inhabited by Cheras in the adjoining plantain garden should be removed.

I have the honor to be
