FROM

W. J. H. Le Fanu Esquire
President

District BOARD, Godavari

TO

The Chief Secretary to Government,
Local and Municipal Department,
Madras.

SIR,

In G.O. No. 1507 L. No. 10.7.93, Government sanctioned annual increments to Overseers and Supervisors of this Board and in accordance therewith increments fell due on 1st April 1894, but the District Board Engineer withheld the increments as a punishment for their having proceeded with certain unauthorized works and for having, without proper authority, executed sanctioned allotments in spite of his Circular orders, and has requested me to approve of his action and to allow the increments for this year to take effect from 1st October last. He stated that the long list, submitted by him for the Board's sanction, of amounts expended by his Supervisors and Overseers over the sanctioned estimates and allotments was due to

The

the disobedience of his explicit orders on the part of this executive staff and that it would be necessary to punish them in the manner above referred to.

2. This is not the first time that the executive subordinates of the Engineering Staff violated the rules now in force in carrying out public works and gave trouble to the Engineer's and Local Board's offices, and I agree with the Engineer in thinking that they should be punished.

3. Under Art. 166 of C. S. Regulations, a periodical increment cannot be withheld from a non-ministerial officer without the sanction of the Local Government and I have therefore the honour to request that Government will be pleased to approve of the action of the Engineer and to sanction the drawing of the increments that fell due at the commencement of the current year, from 1st October last only.

I have the honour to be
Sir

Yours Most Obedient Servant

W. L. M. S.
