SIR,

In forwarding herewith a
copy of the resolution of the Seddoh
Taluk Board dated 23rd February
1895, sanctioning a sum of Rs 200
per year as contribution towards
the maintenance of a mission
dispensary at Kalasapad, Badvel
Talug, together with a letter from
the P.W. A. Inman B.A., under
whose supervision the Dispensary is,
and its enclosures to be returned,
I have the honor to state that
I am of opinion that the existence

Note this

of a dispensary at Kalasapad
is very desirable.

2nd I have a dispensary of its own
at this place would cost the Taluk
Board more than Rs 200, which
the Board intends to contribute
towards its maintenance.

3rd I request that Government
will be pleased to sanction the
proposal of the Taluk Board.

4. I may also state that the
appropriation of Rs 200 from the
Taluk Board's Reserve does not require
the sanction of Government. But
as the amount is intended for a
special purpose falling under Grant
III 24 Medical [grants to
Hospitals & dispensaries] Private
Institutions including mission
dispensaries & which is of a permanent
nature, I have submitted the

the same for the sanction of
Government.

From the resolution of the Taluk Board
of 23rd February 1895 no. 1, it does not
appear that the proposed grant of
Rs 200 to the Mission dispensary in
question is intended to be an annual
one, as stated in the President's letter.
The discrepancy should be explained.

Sir,
In continuation of this
office letter No. 400, I have the
honour to submit herewith a letter
in original dated the 29th January
1895 received from the Rev. A. S. Inman
B.A. Superintendent of the Mission
dispensary, Kalasapad, in Badvel
Taluk, together with an extract
from the Resolution of the Taluk
Board Sidhont, passed at its
meeting held on the 23rd February
1895 and to state that the

Establishment of a Dispensary at
Kalasapad seems to be very desirable.

The Taluk Board after careful
consideration has thought it
advisable to sanction at least

Rs. 200/- on account of the Cost
of Medicines from the Taluk Board's
Reserve fund of the next official
year & I request you to obtain
the sanctions of Government for
the same. The necessary provision
will accordingly be made in the
future Budget. The Enclosures
of your letter Disposal No: 150
dated 23rd February 1894 are
herewith resubmitted.

SIR,

In reply to official
Memorandum No: 631, I have
the honor to submit herewith a
copy of letter No: 335 from
the President Taluk Board
Siddhavattam, forwarding the
Taluk Board's resolution of the
23rd February last and to state
that the concluding portion of
the letter will clearly indicate
that the intention of the Taluk
Board was to grant an annual
contribution of Rs 200, But

this fact was apparently, not
noted in the resolution under
reference, because the Taluq
Board intended to allot Rs 200/-
from the Current year's Reserve
and to make a similar
provision in their Budgets for the
future. If Government sanction
the present proposal, it ought to
be possible to abolish the Pannamilla,
as two dispensaries should be ^{dispensary}
more than ample in a sparsely
populated taluq like Badvel.

I have the honor to be
Sir,
Your most obedient servant.

MS

The Taluk Board does maintain the dispensary.
 A document is sent this but it is not clear if it is the same as the one
 The word 'contribution' was loosely used.

The number of patients treated during the last three
 years was as follows:—

1891-92 — 2902

1892-93 — 2153

1893-94 — 3197

A map is submitted with the two villages (in the
 Badvel Taluk) marked in blue pencil. It appears
 from this map that the statement that Purnamilla
 is at the junction of four roads is incorrect. The
 mistake arose from the fact that the map first
 consulted was on a smaller scale. It shows the
 junction of three roads. I know the place well.

8-VI-

This is the proper place for the dispensary

MS 12/6

The Siddharatham Taluk Board
 spends Rs 8000 on hospitals and dispensaries.
 its total receipts (exclusive of District
 Board contribution) being a little over Rs 30,000.
 The dispensary to which it gives the smallest
 contribution (Rs 1,043) is at Purnamilla, a
 union village at the junction of four roads
 about 12 miles from the northernmost limit
 of the Taluk.

2. The S. P. G. mission having started a
 dispensary at Kalasapad at the terminus of
 a taluk road 7 miles to the north-west of
 Purnamilla, the Taluk Board proposes to make
 a yearly contribution of Rs 2000 towards it and
 the President District Board says that if this
 is approved it ought now to be possible to abolish
 the Purnamilla dispensary.

3. This seems to be a most retrograde proposal
 not only because it is objectionable at any time
 to hand over work that should properly be done by
 the Taluk Board to a sectarian missionary body,
 but also because the Kalasapad dispensary is
 in a far worse situation than, and probably
 not nearly so well equipped as, that at Purnamilla.

The following order is therefore suggested:
G.O. d/

The Government cannot view with approval the President's suggestion to close a local fund dispensary, which is centrally situated and on a main line of communication ~~and~~ ^{and} ~~in order to~~ ^{in order to} ~~for~~ ^{for} a private institution which does not enjoy by any means similar advantages. The proposed allotment cannot therefore be sanctioned.

The Taluk Board would in the opinion of the Government do better to spend the amount which it has ~~been~~ ^{been} ~~ordered~~ ^{ordered} to ~~pay~~ ^{pay} to the ~~Government~~ ^{Government} for the improvement of their own dispensary at Kalasapad.
