In Ltr Sanctioning the Tolls & Establishment

Read also letter No 24 dated 28th May
1895 from the Supervisor of Works recommending
an increase of pay to the Toll gate Keepers.

Read also application from the Toll
gate keepers praying for increase of salaries.

Recorded. The Council consider the
present salaries of the Toll gate keepers very
inadequate and have proposed an increase as
follows.

An increase of one rupee will be given
all round to each Toll gate keeper pending the
sanction of Government.

respectively. It was further found that no
reliable and ^{honest} men could be obtained for the
salaries hitherto paid.

3

If sanction to the increased
rate is accorded I have no doubt that better
work will be turned out, and that the men
will work with more energy. The collections
for the past two months has been a little
over Rs 2000 and I expect that the revenue
under this head will be more than what
was expected to be realised.

4

If allowable I beg to request
that sanction may be given to the increase
being paid from 1st June 1895 from the allot-
ment made in G.O. dated 26th April 1895 No 704
M, and a further provision will be made for
the increased expenditure when the Revised
Budget of this Municipality is prepared.
This will save the necessity of making alterations
in the current Budget.

TO

THE

Chief Secretary

to Government

Port St George

SIR,

I have the honor to report that G.O. dated 26 April 1895 to 704 Local & Municipal together with a petition and a recommendation for increase of salaries to the Toll gates Keepers was placed before the Council at its meeting held at 7 A.M. on Saturday the 1st June 1895. The Council resolved that pending the Sanction of Government an increase of one rupee will be given all round to each Toll gate Keeper. An Extract from the proceedings is herewith forwarded.

2. The Council when arranging the appointments of the Tolls Establishment took into consideration the salaries paid hitherto by the Toll gate Contractors and appointed Toll gates Keepers on such low salaries, viz. Rs 2-8-0 and Rs 3-00 respectively. A trial at these rates has been given for two months, and the Council has now concluded that the men are paid very inadequately and in order that no malpractices should take place an increase of salary should be given to each man making the salaries Rs 3-8-0 & Rs 4-00 respectively.
