Sir,

Sanitation
Sanitation by the
by the
for vaccination purposes
I have the honor,
at the suggestion of the
District Medical and
Sanitary Officer, Bellary,
to request the sanction of
Government, for the pur-
chase of Lanthine paste
from Bangalore, as this
would be a cheaper arran-
gement than the present
one under which calves
are inoculated locally,
and vaccine operations
performed with animal
lymph obtained fresh
from the calf. It would
obviate the trouble which
is too frequently experienced
at

at present in procuring a regular continuous supply of fresh calves for inoculation and would enable the Vaccinator to devote more of his time to Vaccination than he is now able to do. —

2.— I understand from the District Medical and Sanitary Officer that the prohibition against the use of Lanoline paste ordered in G. O. Dated 10th October 1891, No 860 Public, has been withdrawn.

I have the honor to be,
Sir,
