LOCAL AND MUNICIPAL DEPARTMENT.

READ—the following paper:—

From A. WELLS, Esq., Chairman, Municipal Council, Chicacole, to the Chief Secretary to Government, dated Chicacole, 6th June 1895, No. 453.

In this office No. 324, dated 25th April 1895 (copy enclosed), I asked the approval of the Inspector of Schools, Northern Circle, to the appointment of M.R.Ry. S. Krishnaswamy ~~Iyer~~, B.A., L.T., and who graduated in Physical Science, as First Assistant of the High School, Chicacole. Aiyar

2. The Inspector, in his No. 706, dated 13th May 1895 (copy enclosed), did not object to the appointment, but at the same time intimated in the latter portion of his letter that if all the applications received were sent to him he will give his opinion as to whether I have selected the best candidate or not.

3. As the selection and appointment of municipal servants rests with the Chairman, I wrote this office No. 394, dated 16th May 1895 (copy enclosed).

4. The Inspector in reply sent his No. 834, dated 23rd May 1895 (copy enclosed), in which he seems to be of opinion that all the applications should be sent to him and that he should give his opinion as to which of the applicants is the best qualified.

5. The rule published with G.O., dated 7th October 1889, No. 1319 M., Local and Municipal, simply directs Chairmen to consult the Educational officer before appointing masters. This, I presume, means that the Chairman should select a candidate whom he may think suitable and qualified and consult the Educational officer concerned regarding appointing him, and the Educational officer should approve or not as to whether the selected candidate is qualified or not for the post that the Chairman contemplates appointing him. If the Inspector has to be furnished with all the applications received and the appointment has to be made by the Chairman on the selection made by the Educational officer, I think the power conferred in section 42 (1) of the Madras Act IV of 1884 is frustrated. A difference might further arise, that is, if the Inspector selects a candidate whom he thinks qualified and the Chairman selects another, as no doubt will be the case if all the applications are sent to the Educational officer concerned.

6. Under the above circumstances, I beg to request you will kindly obtain the orders of Government defining clearly the rule embodied in G.O., dated 7th October 1889, No. 1319 M., Local and Municipal, and also on the points raised by me as above.

ENCLOSURES.

From A. WELLS, Esq., Chairman, Municipal Council, Chicacole, to the Inspector of Schools, Northern Circle, Waltair, dated Chicacole, 25th April 1895, No. 324.

Aiyar I have the honour to report, for your approval, the appointment of M.R.Ry. S. Krishnaswamy Iyer, B.A. and L.T. (a Science graduate) as First Assistant Master of the local Municipal High School on Rs. 80 per mensem, rising to Rs. 100 by five biennial increments, in place of M.R.Ry. M. Venketareddi Pantulu, who failed to secure a success in Practical Branch of L.T. for the last two years, and who was given notice that he would be replaced by a better-qualified teacher so that the municipal council will be entitled to the benefit of Provincial grant.

2. The newly-appointed teacher will join his duties on 17th June next when the school will be re-opened after the midsummer holidays.

From M.R.Ry. C. NAGOJEE RAO Pantulu Garu, B.A., Inspector of Schools, Northern Circle, to the Chairman, Municipal Council, Chicacole, dated Vizagapatam, 13th May 1895, No. 706.

With reference to your letter, No. 324, dated the 25th ultimo, I have the honour to state that I see no objection to the appointment of S. Krishnaswamy Aiyar, B.A. and L.T., as First Assistant; I should be glad if you would please send me all the applications received, as I should then be able to inform you whether S. Krishnaswamy Aiyar is the best of the candidates or not.

From A. WELLS, Esq., Chairman, Chicacole Municipality, to the Inspector of Schools, Northern Circle, dated Chicacole, 16th May 1895, No. 394.

With reference to your letter, No. 706, dated 13th instant, I have the honour to inform you that the selection of the candidate rests with me, and after receipt of all the applications, Mr. S. Krishnaswamy Aiyar, who is a Science graduate and has passed the L.T. examination, has been selected. I see no necessity to send the several applications received to you, especially as you have intimated in the letter under reference that you do not object to the appointment of Mr. S. Krishnaswamy Aiyar.

From M.R.Ry. C NAGOJEE RAO Pantulu Garu, B.A., Inspector of Schools, Northern Circle, to the Chairman, Municipal Council, Chicacole, dated Vizagapatam, 23rd May 1895, No. 834.

With reference to your letter, No. 394, of the 16th instant, I have the honour to state that I never denied that the selection of candidates to fill posts in municipal schools vested with you, but I believe you are aware as well as I am that before making a selection you have to consult me, and, as I have already stated, I cannot give my opinion as to which of the candidates who have applied for a particular post is the best qualified in my opinion unless you send me all the applications received by you for that post. When you have my opinion before you, you can make your own selection, subject, of course, to the sanction of Government, when the pay of the appointment is Rs. 50 or above. If you still think you are not bound to send for my perusal all the applications received, I request that you will be good enough to refer the matter to Government for orders.

ORDER—dated 8th July 1895, No. 1077 M., Local and Municipal.

The Chairman's interpretation of the rule is incorrect. He should have consulted the Inspector of Schools as to which of the candidates was the best man for the post.

Note

The rule says that the Chairman "shall consult the Inspector of Schools before appointing + masters." It is submitted that this will not bear the interpretation that he is to make his own selection and merely ask if it is unobjectionable. Under such a system the Inspector might assent to the appointment of a very inferior man when others much better were available. | Of course the Chairman need not be bound by an Inspector's opinion.
