PROCEEDINGS OF THE BOARD OF REVENUE
(REVENUE SETTLEMENT, LAND RECORDS AND AGRICULTURE).

READ—letter from the Acting Collector of Trichinopoly, dated 30th March 1895,
Dis. No. 920-Rev.

ABSTRACT.—Submitting programme of famine relief works for 1895-96.

RESOLUTION—dated 8th May 1895, No. 117.

The abstract of the programme of famine relief works for 1895-96 received from the Collector of Trichinopoly will be submitted for the information of Government.

2. The programme contains provision for (a) the construction of eight new irrigation works at a cost of 39 lakhs; (b) repairs to existing irrigation works at a cost of 4.44 lakhs; (c) forest fencing works to cost 68 lakhs; (d) the construction of 1,006 miles of new roads at a cost of 2.88 lakhs, (e) repairs and improvements to old roads, 8.04 lakhs; and (f) other miscellaneous works to cost 8.95 lakhs. The last item includes a provision of 2.72 lakhs for the construction of works calculated to improve the supply of drinking-water (chiefly well-sinking and the improvement of existing wells) and land improvement works to be carried out with the aid of State loans (1.07 lakhs). The total provision under all classes of works amounts to Rs. 25,38,647, and the works are estimated by the Collector to be sufficient to provide employment for three months for nearly 24 per cent. of the total population of the district. The provision made is generally adequate.

3. Detailed estimates are stated to be ready for works costing Rs. 11,38,425, or 46.8 per cent. of the total provision.

4. It has not been stated whether the marginally-noted works proposed by the Revenue Department meet with the approval of the Public Works Department. The necessary information should now be furnished.

1. Clearance of silt from certain channels in the Trichinopoly and Kulittalai taluks.
2. Extension of the Nandiyar channel in the Udaiyarpalaiyam taluk.
3. Construction of new sluices for certain channels in the Kulittalai taluk.

5. A sum of Rs. 13,000 is provided for repairs to 27 road works in the Trichinopoly municipality. These works are

shown in form C as sanctioned works; but the amounts of their detailed estimates are omitted both in statement A and in form C. The cause of the omission should be explained.

6. In statement A is entered a sum of Rs. 1,000 for maintaining road No. 20 in the Udaiyarpalaiyam taluk, with a remark that it has been proposed by the Public Works Department, but no information has been furnished either as to the situation of the road or the purpose it is intended to serve. The inclusion of the work in statement B seems to show that it is an irrigation work.

7. The number of miles of new road works in the Trichinopoly taluk "not sanctioned" is 63 and not 53 as entered in column 23 of statement C.
