To HIS EXCELLENCY THE RIGHT HONORABLE
BEILBY BARON WENLOCK G. C. I. E.,
GOVERNOR OF FORT SAINT GEORGE.

MAY IT PLEASE YOUR EXCELLENCY,

Having heard that the long contemplated construction of a market has been ordered to be executed at old Peta instead of in Munrow'spet as at first originally intended, we, the undersigned, the inhabitants and merchants of Munrow'spet humbly beg to bring to your Excellency's kind notice the actual disadvantages that the Public will have to labour under if the proposed construction be completed, with a request that the question may be brought forward before the next meeting and resolution passed thereon considering the advantages and disadvantages of both.

1. The site proposed at old Peta for the construction of a market is not spacious enough.
2. It is surrounded on one side by the houses of out-caste people.
3. It is in close proximity to the Privy which gives bad air, very harmful to the Public.
4. It is likely to be inundated by floods in rainy season.
5. No water could be procured to quench the thirst of the people as no drinking water well is in the neighbourhood; nor, are there any inhabited houses surrounding the site for affording shelter to the public.
6. If the rains appear suddenly, the goods of the fair would certainly be damaged as no houses are lying near, in which they may be promptly secured against the damaging effects of rain.

But on the other hand the advantages obtaining by the fair being held in Munrow'spet may be enumerated as follows:—

- (1.) The site on which the fair is held at Munrow'spet is best suited, the same being a square piece of land and being the convenient centre of Munrow'spet.
- (2.) The houses surrounding the site on all sides serve as a good harbour for the goods against any damage whatever that may be caused by accidental rains.
3. There is not the slightest likelihood of any encroachment being made by robbers upon the person and property of the public.
4. Wells containing drinkable water are existing on all the sides of the site closely, so that no difficulty whatever is felt by the public in regard to water without which the people must suffer especially in hot seasons.

The above facts we believe will make it clear that the place on which the weekly fair is held in Munrow'spet is endowed with various kinds of facilities while that selected in old Peta upon which the construction is likely to begin is surely to prove a source of utmost hardship to the people that will have to resort to the fair.

Besides, Munrow'spet contains greater number of merchants than the old Peta.

In consideration of all the above said facilities necessary for comfort and happiness, existing at Munrow'spet, that great highly respected Lord Munro established this site as the best suited for holding fairs and it has continued as such from that time and the undersigned surely think that the contemplated change of place on which the fair is now held from time immemorial is likely to bring disgrace to the sacred name of Lord Munro.

We, the undersigned, beg to remain,

Sir,

Your excellency's most obedient servants.

PATHIKONDA,

1st June, 1895.
