Letter from the Accountant General to the Government of Madras, dated 16 May 1895, no. J. A. E.

Resolution: 50

The Accountant General is referred to para 4 of G.O. dated 29.8.72 no. 1149 F.D. which ruled that servants paid from the Road Fund had been declared eligible for pension and that in the case of superior servants the same concession should continue to be granted under the new rules. The rules in para 5 of B.P. 8.9.73 were proposed with reference to the G.O. quoted above.

has taken the service into account on the ground "that the appointment held by the applicant was created in connection with the old road fund and that service rendered in it was declared by the Govt. of India to qualify for pension." With reference to para. 5 of the Proceedings of the Board of Revenue No. 1768 d/8th September 1873 embodied in Govt. Order No. 431 d/13th March 1874, I have to enquire whether the Board intended that service rendered in any of the Local Fund appointments that existed before the passing of Act IV of 1871, should qualify for pension and if so, whether the omission of a clause to that effect in the Local Fund Pension rules, is accidental.

I request that I may be favoured with a reply at an early date as a reference from Govt. is pending disposal in my office.

Sir,

I have the honour to state that one S. Pringa Rao who was employed as Local Fund head accountant, Collector's office, Chingleput, retired from the service on the 11th January 1895. In his pension application he claimed as qualifying service, service rendered as Local Fund accountant from 10th October 1868 to 31st March 1871. This office in reporting upon the case, disallowed (as it has done before) such service on the ground that it was rendered in an appointment which existed before the passing of Act IV of 1871, as was done in a previous similar case. The Govt., however, observes that the Head of the office
