CURRENT No. 155

His Excellency the Right
Honorable the Governor & Council

Port Saint George
Madras.

The humble petition of P.
Hee-ha-taramiah, Inspecting School
Master, Kalahasthi Sub Range, North
Arcot District, appealing against
the order of the President, District
Board North Arcot, upon his appeal
petition, dated 29th April 1895 No 358
of 1895, dismissing the said appeal
that the same was not presented
within the appeal period.

May it please your Excellency.

That the facts of his appeal are
briefly as follow:—

Your Excellency's humble
petitioner was reduced from the
Inspecting School Master ship of
the Palenauai Range, of Rs 25 to
the same post at Kalahasthi Rs 20
see same alleged cause of the late
District Board President Mr.
Lodhau.

Mr. LeGau. He thereupon appealed to the late President, District Board North West, Mr. Pauer, who declined to interfere in his case without placing it before the members of the meeting.

2. That your Excellency's humble petitioners thereupon put in an appeal to the present President, District Board North West, Mr. Wynne & caused his appeal in conjunction with the members of the Board and John Justice.

3. That he (the President District Board, North West) summarily dismissed the appeal stating that it was not presented within the time specified for appeals.

4. Your Excellency's humble petitioners most humbly crave to submit that although the leave relating to the time of appeals is that on sufficient cause being shown for the expiry of the appeal time the appeal should be sustained, yet the President of Board North West summarily dismissed the appeal without asking your Excellency's petitioners for an explanation of the delay which

which is unjust.

5. Your Excellency's humble petitioners was ordered to the Malabar District School Master ship on the 17th March 1894, which reached him on the 27th March 1894.

6. Your Excellency's humble petitioners thereupon applied for leave on the 30th March 1894, for preferring an appeal after going through the voluminous records in the case, but the leave was not granted till the 8th July 94.

7. That although the leave was granted by the President on the 8th July 1894, yet your Excellency's humble petitioners was not permitted to avail the leave forthwith by the Sub. and Inspector of Schools, Malabar Range, and delayed till the 7th August 1894, on your Excellency's humble petitioners report to the President on the 25th July 1894, he was permitted to avail the leave forthwith (7th August 94) but not till then.

8. When your Excellency's humble petitioners began to prepare

prepare an appeal against the
order in question, he was obliged
to wait for certain vouchers some
of which was obtained only on
the 19th September 1894 and the
appeal petition was complete
on the 24th September 1894 and was
presented on the 26th at Paluanair.

9. Thus your Excellency
in Council will quite clearly
see that the first appeal was
preferred within the time specified
viz from the 8th August to 24th
September 94, the interval is
only 1 month and 16 days,
which is perfectly within the
terms specified.

10. Your Excellency's humble
petitioner therefore most humbly
craves once more that your
Excellency in Council will
graciously be pleased to order
that your Excellency's humble
petitioner's appeal to the
President, District Board,
Karte Kroat, may be reviewed
by him in the meeting of the
