(1) Under the circumstances stated by the President of the Tinnevelly District Board in his letter read above, the charge for scrutinizing the estimate for constructing a road from Ettujápuram to Viláttikulam should be calculated on Rs 53,400 and not on Rs 53,200.

(2) The Public Works Department will be requested to state why a contribution is demanded for the scrutiny of the estimate for providing a cart track on the Malwiapuram tank bund, in the Cuddapah district as from the President's letters it appears that the estimate was not prepared by the Local Fund Department.

Abstract.—Reporting that the estimate referred to in G.O., Mis. No. 279 L., dated 13th February 1895, has been scrutinized by the Public Works Department.

From A. W. B. HIGGENS, Esq., President, District Board, Tinnevelly, to the Chief Secretary to Government, dated 22nd April 1895, Dt. Bd. Ref. A on Cur. No. 144 of 1895.

Referring to Government Mis. No. 279 L., dated 13th February 1895, forwarding for verification and report a statement showing the amount of estimate scrutinized by the Public Works Department for the quarter ending the 31st December 1894, I have the honour to state that a revised estimate for Rs. 53,400 was subsequently forwarded to Government, through the Superintending Engineer, with this office letter, Reference B. on Cur. No. 450, dated 3rd December 1894, and that no other estimate was forwarded for scrutiny during the quarter.

From J. HEWETSON, Esq., President, District Board, Cuddapah, to the Chief Secretary to Government, dated 19th April 1895, No. 369-D.B.

In reference to G.O., Mis. No. 279 L., dated 13th February 1895, I have the honour to state that the village of Malimapuram is about two miles east of the second milestone of Chitvel-Obli road. The cart-track referred to in the extract from the statement which accompanied the above Government Order leads to some small hamlets and a forest close to the above village. As this has no connection whatever with any of our recognized roads, the Local Fund Engineer is of opinion that we will derive no good by contributing for the construction of the road on the tank bund.

No. 690.

The President is requested to report whether the estimate for the road in question was prepared by the Local Fund Department and sent to the Public Works Department for scrutiny, as from its inclusion in the list it is presumed it must have been, and, if so, to explain the circumstances under which this was done, as the work is said to be not connected with any of the local fund roads and its estimated cost does not exceed Rs. 5,000.

17th *May* 1895. (Signed) J. F. PRICE, *Chief Secretary.*

To the President, District Board, Cuddapah.

From J. HEWETSON, Esq., President, District Board, Cuddapah, to the Chief Secretary to Government, dated 31st May 1895, No. 456-D.B.

In reference to your memorandum, No. 690, dated 17th May 1895, I have the honour to state that the estimates therein referred to were prepared by the Public Works Department and sent to the Collector, who forwarded them to the President of the District Board.

Order—dated 27th June 1895, No. 1115 L., Local and Municipal.

The statements will be forwarded to the Accountant-General with the request that he will make the necessary adjustments in the accounts in communication with the Examiner of Public Works Accounts, subject to the following remarks:—

(1) Under the circumstances stated by the President of the Tinnevelly District Board in his letter read above, the charge for scrutinizing the estimate for constructing a road from Ettiyapuram to Viláttikulam should be calculated on Rs. 53,400 and not on Rs. 53,200.

(2) The Public Works Department will be requested to state why a contribution is demanded for the scrutiny of the estimate for providing a cart-track on the Malimapuram tank bund, in the Cuddapah district, as from the President's letters it appears that the estimate was not prepared by the Local Fund Department.
